

LIAQUAT UNIVERSITY OF MEDICAL & HEALTH SCIENCES, JAMSHORO
LIST OF APPROVED SYNOPSIS / RESEARCH PROJECTS

FACULTY OF SURGERY & ALLIED SCIENCES

W.e.f First to 45 Meeting of Advanced Studies & Research Board (AS&RB)

M.S (General Surgery

S #	Name of Principal Investigator	Research Topic
1	Dr. Imtiaz Ali S/o Allah Rakhio	Factor involved in Post Operative wound infection in potentially clean case in General Surgery wards
2	Dr. Rizwanullah Junaid S/o Rasool Bux Bhanbhro	Comparative study on Colonic Injuries with primary repair alone vs primary repair added with Proximal Colostomy
3	Dr. Mairaj S/o Fateh Mohammad Khan	Incidence of carcinoma gall bladder in cholelithiasis liaquat Univeristy hospital, jamshoro/hyderabad
4	Dr. Arshad Shaikh	Complications associated with intestinal stoma closure
5	Dr.Nasrullah Soomro s/o Abdul Baqi	A comparative study between closed & open haemorrhoidectomy
6	Dr. Karim Bux s/o Ismail Khan	A comparison of the efficacy of lieostomy with or without primary closure v/s primary closure wihtout ileostemy in ileal perforation
7	Dr. Gulzar Ali s/o Ghulam Sarwar	Tension free hernioplasty under local anaesthesia for inguinal hernia
8	Dr. Ahmed Hussain Agha	Frequency of helico bacter pylori in perforated peptic ulcer and associated risk factors
9	Dr. Riaz Ahmed Memon	Frequency and indications of colostomy and its types in emergency surgical departments of liaquat university hospital, hyderabad.
10	Dr. Jamshed Bashir s/o Bashir Ahmed Arain	Evaluation of causative organisms in surgical site infection.
11	Dr. Liaquat Ali Siyal s/o Abdul Latif	Management of diabetic patient undergoing abdominal surgery.
12	Dr. Abdul Salam Memon s/o Prof. Ghulam Ali Memon	Outcome of lateral internal sphincterotomy in the management of chronic fissure in ano at liaquat university hospital, jamshoro/hyderabad.
13	Dr. Aijaz Ali Nizamani	Prevalence of malignancy in nodular goitre at department of surgery of liaquat university hospital, jamshoro/hyderabad.
14	Dr. Seema Shabir d/o Ghulam Shabir Kalyar	Comparative study of anatomical repair versus mesh repair in paraumbilical hernia at liaquat university of medical & health Sciences, jamshoro.

14	Dr. Muhammad Qasim s/o Muhammad Saleh	Outcome of early appendectomy in appendicular mass v/s conservative approach at liaquat university hospital, Jamshoro/Hyderabad.
15	Dr. Noshaba Parveen	Comparative study of conventional (bassini's repair) versus mesh repair of inguinal hernia.
16	Dr. Binafsha Manzoor	Solitary thyroid nodule use of fnac in determining the nature of lesion in comparason with biopsy
17	Dr. Ahsan Ali Laghari s/o Mohammad Rahim Laghari	Frequency of hypocalcaemia in thyroid surgery
18	Dr. Ahmer Akbar Memon s/o Akbar Ishaque Memon	Recurrent inguinal hernia-etiology and management
19	Dr. Kirshan Lal Soofi	Comparative Study Of Laparoscopic Total Extra Peritoneal Herniorrhaphy Versus Lichtensteins Mesh Repair In Inguinal Hernia
20	Dr. Qambar Ali Laghari	Comparative Study Of Laparoscopic Total Extra Peritoneal Herniorrhaphy Versus Linchtenstein Mesh Repair In Inguinal Hernia
21	Dr. Zulfiqar Ali S/o Mohammad Kamil Memon	Comparative Study Of Conventional (MAYO) Repair V/S Mesh Repair Of Paraumblical Hernia
22	Dr. Sikander-e-Azam	Presentation and Outcome Of Surgical Management Of Strangulated Inguinal Hernia
23	Dr. Liaquat Ali Rahimoon	Outcome Of Different Surgical Modalities in the Management of Benign Surgical Jaundice
24	Dr. Ubedullah Shaikh	Comparative Studies Of Morbidity Of Laparoscope V/S Open Cholecystectomy in Complicated Gallstone Disease
25	Dr. Aijaz Ahmed Shaikh	Complications Of Surgical Management Of Rectal Prolapse
26	Dr. Mujahid Hussain S/O Ghulam Hussain	Relationship Between Age Of Disease And Tumor Markers In
27	Dr. Faiza Hameed	Risk Factors for Enteric Perforation in Cases Of Typhoid Fever
28	Dr. Kirshan Lal S/O Narain Das	Pattern of Intra Abdominal Injuries and their Management in the Penetrating Abdominal Trauma
29	Dr. Narain Das S/O Jagat Rai	Outcome of Haemorrhoidectomy under Local Anaesthesia
30	Dr. Chander Kumar S/O Madan Lal	Variations in Relation of Recurrent Laryngeal Nerve with Inferior thyroid Artery Decteded During Thyroid Surgery
31	Dr. Nasrullah Laghari S/O Ghulam Asghar	Comparison of Absorbable (VICRYL) with non-Absorbable (PROLENE) Sutures in Closure of Laparotomy Incisions

32	Dr. Sadaf Arif Mughal	Routine Use of Alvarado Score in Diagnosis of Suspected Cases of Acute Appendicitis
33	Dr. Syed Kashif Ali	Role of Fine Needle Aspiration Cytology in Lymphadenopathy
34	Dr. M. Iqbal Pathan	Comparative Study of Lichtenstein Mesh Repair with Prolene Daran in Inguinal Hernia
35	Dr. Gordhan Das S/O Aidan Singh	Complications of Thyroid Surgery
36	Dr. Shaista Shams Shaikh D/O Shamsuddin Shaikh	Frequency of Malignancy in Solitary Nodule
37	Dr. Asadullah S/O Anwar-U-ddin Ghumero	Complications of Intestinal Stoma
38	Dr. Shaheen Fatima	Outcome of Surgical Management of Varicose Veins of Leg
39	Dr. Muhammad Saleem Laghari S/O Nabi Bux Laghari	Outcome of Primary Closure in Chronic Pilonidal Sins
40	Dr. Ashfaque A. Bhurgari	Management of Primary Chronic Anal Fissure by Lateral Internal Sphincterotomy
41	Dr. Jaweria Fareed	Comparative Study between Rubber Band Ligation & Milligan & Morgan Haemorrhoidectomy In Second & Third Degree Haemorrhoids
42	Dr. Khalas Khan	Treatment outcomes of low Fistulae in ANO
43	Dr. Badaruddin Ujjan	Predictive Pre-Operative factors for difficult laparoscopic cholecystectomy
44	Dr. Mehamood Ahmed	Frequency of Hypocalcaemia after Sub-total thyroidectomy
45	Dr. Sohail Yousif	The pattern of microbes in Acute appendicitis
46	Dr. Kaneez Aisha	Single v/s double layer small gut Anastomosis
47	Dr. Muhammad Rafique	Comp-study of open v/s Laparoscopic Varicocelelectomy
48	Dr. Gul Muhammad Mari	Suture versus Mesh Repair of Incisional Hernia
49	Dr. Altaf Hussain Ghumro	Diagnostic accuracy of modified Alvarado scoring system in acute Appendicitis
50	Dr. Nazir Ahmed Sasoli	Histopathological Analysis of Cholecystectomy Specimen in an active surgical unit
51	Dr. Ahmed Halepota	Outcome of Lateral Sphincterotomy in chronic Anal Fissure
52	Dr. Sheeraz Shaikh	Frequency and aetiology of Cholelithiasis in teenage patients-does it differ from adult
53	Dr. Suhail Ahmed Soomro	Frequency of malignancy in surgical jaundice

54	Dr. Imtiaz Ali Soomro	Causes and management of acute mechanical small bowel obstruction in adults
55	Dr. Shahnawaz khatti	Frequency and clinical presentation of colorectal carcinoma
56	Dr. Shahzad Asfandyar Haider Soomro	Efficiency of Fine Needle Aspiration & Cytology in Solitary Thyroid Nodule.
57	Dr. Inayat Ali Zardari	Pattern of Surgical Jaundice in our Setup
58	Dr. Mohammad Idrees	Prediction of Conversion of Laparoscopic Cholecystectomy to open Surgery
59	Dr. Mohammad Ali Abro	Pattern of Surgical Site Infections in General Surgical Ward
60	Dr. Mujeeb-Ur-Rehman Sahito	Morbidity and Mortality in Typhoid Ileal Perforation
61	Dr. Ashfaque A. Memon	Frequency of Biliary Complications in Laparoscopic Cholecystectomy
62	Dr. Abdullah Laghari	Laparoscopic Management of Rectal Cancer
63	Dr. Sadaf Iqbal	Frequency of Normal Appendicectomy in a Tertiary Care Hospital.
64	Dr. Sadia Sana	Frequency of Iatrogenic Bile Duct Injuries During Laparoscopic Cholecystectomy.
65	Dr. Imran Ahmed	Extrabiliary complications of Laparoscopic Cholecystectomy.
66	Dr. Sohail Ahmed Ahmedani	Surgical Management of Imperfectly Descended Testes.
67	Dr. Asad Nadeem	Outcome of Transthoracic Resection of Esophageal Carcinoma
68	Dr. Ghulamullah Rind	Short Term Outcome of Surgical Management of Gastric Cancer
69	Dr. Nazneen A. Khaskheli	A Comparative Study of Fissurectomy & Lateral Internal Sphincterotomy for the Treatment of Fissure in Ano
70	Dr. Abdul Sattar Abro	Early Complications of Laparoscopic Cholecystectomy
71	Dr. Abdul Hadi Abbasi	An Audit of Lichtensein's Repair in Surgical Department of Liaquat University Hospital, Jamshoro/Hyderabad, Sindh, Pakistan
72	Dr. Imran Ahmed Mughal	Pattern and Clinical Outcome of Acute Intestinal Obstruction
73	Dr. Jai Kumar	Comparative study of clinical profile in patients with solitary versus multiple gallstone
74	Dr. Adeel Abbas Dahri	Frequency of malignancy in non-toxic multinodular goiter
75	Dr. Sajjad Hussain	Frequency of malignancy in breast lump

76	Dr. Ishrat Rahim Katyar	Comparative study of open versus laparoscopic treatment of liver hydatid cyst
77	Dr. Fouzia Chughtai	Comparative study of anatomical versus mesh repair of ventral abdominal hernia
78	Dr. Imtiaz Ali Langah	Evaluation of modified alvarado score in diagnosis of acute appendicitis
79	Dr. Irfan Haider Mangi	Feasibility of laparoscopic cholecystectomy in elderly patients 50 years & above
80	Dr. M. Anwer Memon	Outcome of patients undergoing repair of giant inguinal hernia note: He is directed to contact Dean, Faculty of Surgery & Allied Sciences to change the Research Topic as mentioned above.
82	Dr. Muhammad Imran	The role of rhomboid excision and limberg flap in the management of chronic sacrococcygeal pilonidal sinus disease
83	Dr. Samar memon	Comparative study of inlay versus sublay mesh repair in paraumbilical hernia
84	Dr. Naveed Gul Qazi	Comparison of pain intensity after laparoscopic cholecystectomy between two groups of patients, one group with intraperitoneal irrigation as well as periportal infiltration of bupivacaine with group of patients given no bupivacaine
85	Dr. Rehana Ali Shah	Correlation of clinical symptoms of acute appendicitis with position of appendix on operative findings
86	Dr. Saifullah Brohi	Intra operative predictive factors responsible for difficult laparoscopic cholecystectomy
87	Dr. Abdul Razzaq Baloch	Factors affecting recurrence after Incisional Hernia Repair
88	Dr. Naeem ul Karim	Comparison Of Glyceryl Tri Nitrate And Lateral Anal Sphincterotomy In Cases of Anal Fissure
89	Dr. Abdul Hafeez	Frequency Of Complications Of Acute Appendicitis
90	Dr. Farzana Bibi	Sentinel Lymph Node Biopsy In Early Carcinoma Breast
91	Dr. Ghulam Qadir Zardari	Presentation And Management Of Amoebic Liver abscess
92	Dr. Riffat Jabeen Memon	Port-Site Related Complications And Their Management In Patients Undergoing Laparoscopic Cholecystectomy
93	Dr. Aftab Bashir	Causes & Management outcome of peritonitis

94	Dr. Narain Das	Frequency of perforation and spillage of gall stones during laparoscopic cholecystectomy and their outcome
95	Dr. Zulfiqar ali memon	Vascular and biliary anomalies found during laparoscopic cholecystectomy and their impact on outcome
96	Dr. Awais Iqbal Bhatti	Frequency, indications and outcome of ileostomy in 0emergency surgery
97	Dr. Muhammad Anwar Memon	Complications and their in patients with giant inguinal hernia
98	Dr. Din muhammad Chandio	Outcomes of diagnostic laparoscopy at Liaquat University of Medical & Health Sciences, Jamshoro
99	Dr. Faiza Syed	Single-Dose versus Three-Dose antibiotic prophylaxis in surgical site infections
100	Dr. Riaz Ahmed Shah	Out come of surgical management of Splenic trauma at LUH/Hyderabad/Jamshoro
101	Dr. Zeeshan Zia Qureshi	Assessment of various prognostic factors of intestinal anastomotic leakage and designing A Scoring system
102	Dr. Azhar Mustafa Memon	Outcome of Surgical Management of Pseudo Pancreatic Cyst at Liaquat University of Medical & Health Sciences.
103	Dr. Ali Raza Laghari	To evaluate the result in the management of hydrocele in adult patients at Department of Surgery, LUMHS, Jamshoro.
104	Dr. Khenpal Das	Short term outcome of surgical management of liver trauma at Liaquat University of Medical & Health Sciences, Jamshoro/Hyderabad.
105	Dr. Saba Gul	The outcome of day case surgery and its acceptance at Liaquat University Hospital.
106	Dr. Nawaz Ali Dal	Comparative study of open versus Laparoscopic appendectomy
107	Dr. Shaheen Gul	Is there a need for diagnostic upper Gastrointestinal endoscopy before cholecystectomy
108	Dr. Sidra Memon	Shear wave elastography as a diagnostic tool in differentiating benign from malignant thyroid nodules
109	Dr. Ahtesham-ul-Haque Khan	Comparison of ultrasound finding versus operative finding in patients with biliary pathology
110	Dr. Muhammad Asif Gujar	Analysis of prognostic factors for clinical outcome of ileal perforation
111	Dr. Jagdesh	Do all patients with breast cancer need to have bone scan done?

112	Dr. Mujeeb-ur-Rehman Laghari	C-reactive protein (CRP) as a surgical indication for appendicitis
113	Dr. Atif Iqbal	Comparative study of conventional versus staple Haemorrhoidectomy at Liaquat University Hospital Jamshoro / Hyderabad
114	Dr. Attaullah Shar	To analyze patients of cholecystectomy for post cholecystectomy syndrome. A study of 100 consecutive patients gall bladder pathology who underwent cholecystectomy

M.S Gynaecology & Obstetrics

115	Dr Nousheen Aziz	Laparoscopic evaluation of female factors in infertility
116	Dr. Naila Yousuf Memon	Risk factors and fetomaternal outcome in abruptio placenta
117	Dr. Haleema D/o Ali Gul Lakho	Adverse obstetric and perinatal outcome in patients with false positive 1-hour glucose challenge test
118	Dr. Aneela Mehmood	Medical treatment of missed abortion in less than 24 week gestation using misoprostol.
119	Dr. Sanober Ashfaque	Role of diagnostic laparoscopy in evaluation of chronic pelvic pain
120	Dr. Farhana Yousuf	Efficacy and Safety of Prostaglandin E2 V/S Misoprostol in Induction of Labour
121	Dr. Shabanam Shaikh	Outcome of Pregnancy in Women with Severe Pre-Eclampsia
122	Dr. Sunbal Dhahri D/o Khuda Bux Dhahri	Maternal Complications of Repeated Caesarean Section
123	Dr. Sameena Gul D/o Allah Bachayo Memon	Frequency of Side Effects of Magnesium Sulphate Therapy in Eclamptic Patients
124	Dr. Aneesa Mughal D/o Mukhtiar Ahmed Mughal	Maternal and Perinatal Outcome in Cases of Abruptio Placentae
125	Dr. Zakia Zaheen D/o Abdul Razzak Khanzada	The Role of Rectal Misoprostol in Management of Primary Postpartum Hemorrhage due to Uterine atony
126	Dr. Zaheen Tabsum	Elective Cesarean Section V/S Emergency Cesarean Section in Primigravidae at Term
127	Dr. Roomi Memon	Efficacy of Intraumbilical Vein Infusion of Syntocinon in the Prevention of Complication of 3rd Stage of Labour
128	Dr. Nargis Butt D/o Mohammad Khan	Mean Birth Weight and the Risk Factors for Low Birth Weight Among Delivering at Term
129	Dr. Nabilla Hassan	Frequency, Clinical & Laboratory Evaluation of Patients Presenting with Primary Amenorrhea

130	Dr. Fozia Rahim D/O Abdul Rahim Memon	Frequency of Iron Deficiency Anaemia in Pregnancy and efficacy of Parental Iron Sucrose Therapy in Treating Iron Deficiency Anaemia in Pregnancy
131	Dr. Sarwar Khatoon D/o Haji Khan	Fetomaternal Outcome in Pre-Eclamptic and Normotensive Healthy Women
132	Dr. Zakia Bano	Outcome of medical management of Menorrhagia
133	Dr. Razia Asif	Frequency of Maternal morbidity & mortality associated with eclampsia
134	Dr. Shazia Ali Memon	Frequency of Abnormal Cervical Smear in Women presenting with vaginal Discharge
135	Dr. Sitwat Karim	Evaluation of Maternal & Fetal Outcome after Previous One Lower Segment Caesarean Section Irrespective of mode of Delivery
136	Dr. Nasreen Shah	An Audit of Pap Smear in early detection of Cervical Neoplasia & Carcinoma in patient attending Gynaecology OPD (Analysis of 1000 Cases)
137	Dr. Zunera Shaikh	Morbidity and Mortality Associated with Unsafe Abortions
138	Dr. Saira Dars	Frequency and fetomaternal outcome of vaginal birth after caesarean section (VBAC)
139	Dr. Fahmida Abbassi	Efficacy of nifedipine in suppression of preterm labor
140	Dr. Ruqaya Ali Memon	Maternal Morbidity, mortality and foetal outcome in cases of rupture of uterine scar during term labour
141	Dr. Sofia Laghari	Fibroid as a causative factor in menorrhagia and its management
142	Dr. Noushaba Rizwan	Fetomaternal outcome among Abruptio Placentae cases at University hospital of Sindh
143	Dr. Adeena Anwer	Maternal and Perinatal outcome of Obese and normal weight Pregnant women
144	Dr. Sameena Rasheed	Comparison of Nifedipine and Salbutamol as Tocolytic agents in preterm labour at LUH, Hyd
145	Dr. Fatima Shaoor	Fetomaternal Outcome in preterm premature rupture of membranes
146	Dr. Kiran Shoukat	Risk factors of Atonic Uterus as a cause of primary postpartum haemorrhage
147	Dr. Rozina	Correlation of intra partum abnormal cardiotocography with fetal outcome
148	Dr. Yasmeen Memon	Diagnostic accuracy by visual inspection of cervix with acetic acid for cervical cancer

149	Dr. Shaista Shaikh	Maternal outcome in terms of morbidity & mortality in Abruptio Placentae
150	Dr. Maria Dhahri	Placenta Previa in scarred and un-scarred Uterus at LUH, Hyd
151	Dr. Farhana Nasar	Frequency of maternal morbidity & mortality following caesarean Hysterectomy
152	Dr. Azra Yasmeen	Role of rectally administrated of misopristol for the treatment of postpartum haemorrhage in addition to routine treatment
153	Dr. Ambreen Musrat	Role of magnesium sulphate in maternal outcome in pre-eclampsia
154	Dr. Samina Shabir	Frequency & type of glucose intolerance seen in pregnant ladies
155	Dr. Kashaf Anza	Maternal Mortality Rate in Puerperal Sepsis
156	Dr. Asma Nisar	Risk Factors for non Reactive Cardiotocography
157	Dr. Sadaf Naz	Risk factors for HCV infection in pregnant women
158	Dr. Farzana Shakoor	A study of Gestational Trophoblastic Diseases (GTD)
159	Dr. Saira Parveen Memon	Management of delivery of twin gestation study done in the department of Obstetrics & Gynaecology at PMC Hospital Nawab Shah
160	Dr. Nuzhat Parveen	Maternal Morbidity and Mortality in Obstructed Labour.
161	Dr. Najma Dalwani	Frequency and management of Ectopic Pregnancy.
162	Dr. Fareen Memon	Correlation of the Findings of Transvaginal Ultrasonography & Endometrial Sampling in Patient with Postmenopausal Uterine Bleeding
163	Dr. Bilquees	An Audit of Patients undergoing Hysterectomy for Benign Gynaecological Diseases at Liaquat University Hospital
164	Dr. Azra Farhat	Frequency & Pattern of Near Miss Mortality in Tertiary Care Hospital
165	Dr. Shazia Awan	Adverse Fetomaternal Outcome Among Pregnant Overweight Women
166	Dr. Safia Malik	Maternal Morbidity and Prenatal Outcome in Pre Term Pre Mature Rupture of Membranes Before 37 Weeks Gestation
167	Dr. Marvee Ishtiaque	Maternal Outcome with Major Degree Placenta Previa
168	Dr. Ambreen Ghori	Etiological Factors and Association of Fetomaternal Outcome of a Woman with Uterine Rupture

169	Dr. Sameena Bano	Complications of Abdominal VS Vaginal Hysterectomy
170	Dr. Saima Qaimkhani	Frequency and Risk Factors of Vesicovaginal Fistula in Obstetrical and Gynaecological Cases
171	Dr. Shaheen Soomro	Neonatal Outcome of Elective Cesarean Delivery at LUH
172	Dr. Salma Ameer Ali	Effects of Partogram on Maternal and Fetal Outcome
173	Dr. Samina Shaikh	A Comparison of spot urine protein creatinine ratio with 24 hour urine protein excretion in women with pre eclampsia.
174	Dr. Yasmeen Joyo	Fetal and maternal complications with breech presentation
175	Dr. Sumaiya Farooq	Comparison of uterine curettage versus manual vacuum aspirator for uterine evacuation in the management of incomplete abortions
176	Dr. Farida Khanum	Maternal and perinatal outcome in pregnancies with HELLP syndrome
177	Dr. Azra Ahmed	A comparative study of drotaverine hydrochloride versus phloroglunicol in augmentation of labour
178	Dr. Rahila Munwar	Fetomaternal outcome of breech vaginal delivery versus planned caesarean section
179	Dr. Raheela Baloch	Comparative effects of ballooning intracervical catheter and prostaglandin pessary on cervical ripening
180	Dr. Mahjabeen Shaikh	Feto-maternal outcome in eclampsia at Liaquat University Hospital Hyderabad
181	Dr. Irum Parveen Memon	Frequency of placenta previa in patients with repeated cesarean section
182	Dr. Mehwish Zia	Pregnancy outcome in women with severe anemia (Hb% < 7gm/dl)
183	Dr. Tamseela Memon	Risk factors of moderate to severe iron deficiency anemia in pregnancy and fetal outcome in tertiary care hospital
184	Dr. Sadia Iram	Comparative study to see the impact on newborn body temperature after skin to skin contact of mother and new born V/s conventional method
185	Dr. Rashida Parveen	Comparative effects of medical and surgical management of first trimester incomplete abortion
186	Dr. Shahnila Sheeraz	Planned early birth versus expectant management (Waiting) for pre labour rupture of membranes at term (37 weeks or more)

187	Dr. Sanober Sahito	Evaluation of clinical presentations of hysterectomy for begin conditions
188	Dr. Pushpa	Role of cardiotocography (CTG) in increasing rate of caesarean section
189	Dr. Nazish Zehra	The Fetal Outcome in women with Meconium Stained Liquor (MSL)
190	Dr. Sindhu Hira	Maternal and Fetal Outcome in Gestational Diabetes Mellitus: an Experience at LUH, Hyderabad
191	Dr. Sumaira Amir	To Analyze the Management Options of Breech Presentation
192	Dr. Ambreen Ali	Risk Factor of Primary Postpartum Hemorrhage: An Experience at LUH, Hyderabad
193	Dr. Nida Jafri	Effect Of B-Lynch Suture Application In Primary PPH After Caesarean Section
194	Dr. Aneeta Rathore	Puerperal pyrexia: Risk factors and effects on maternal health
195	Dr. Fehmida Ashraf Memon	Obstructed labour in primigravida: Its consequences and their Management
196	Dr. Saeeda Bano	Assessment of complications of induced abortion
197	Dr. Sajida Parveen Rajpar	Visual inspection of the cervix with acetic acid for screening of cervical cancers
198	Dr. Saima Jat	Comparative studies of maternal morbidity and mortality in primary and secondary post partum haemorrhage
199	Dr. Aziz Fatima	Effectiveness of misoprostol combined with foley's catheter during second trimester for termination of pregnancy
200	Dr. Aneela Sadaf	Primary postpartum haemorrhage and maternal health-effects and outcome
201	Dr. Sanam	Outcome of acute maternal morbidity and management at intensive care unit of public sector university hospital
202	Dr. Nirmila Devi	To determine the fetal outcome in pre-eclamtic women with high serum uric acid level.
203	Dr. Aisha	Analysis of complications following manual vacuum aspiration versus conventional dilation & curettage in first trimester abortion.
204	Dr. Padma Bai	Causes and outcome of thrombocytopenia in pregnant women.
205	Dr. Qamar-un-Nisa	To determine maternal outcome in VBAC in regard of perineal tear and instrumental delivery.

206	Dr. Saira Talpur	Study to analyse significance of reduced amniotic fluid index in pregnancy and its correlation with perinatal outcome.
207	Dr. Aasma Naz	A randomized controlled trial of gastro intestinal complications with early versus delayed maternal feeding following cesarean section under spinal anesthesia.
208	Dr. Shaheen Siddique	Factors and Association of iron deficiency anemia with preterm birth
209	Dr. Syeda Hira Ali Shah	Second stage intervention and maternal and blood perinatal outcome
210	Dr. Saima Mahar	Uterine rupture frequency, risk factors AND maternal outcome at People's University of Medical & Health Sciences Hospital, Nawab Shah
211	Dr. Shazia Agha	"First trimester miscarriage" role of manual vacuum aspiration versus oral misopristol.
212	Dr. Atteya Abbassi	Maternal age and pregnancy outcomes:Risks and benefits
213	Dr. Nafisa Abrejo	Transvaginal ultrasonography versus endometrial histopathology in postmenopausal bleeding
214	Dr. Aliya Shamim	Risk factors and fetomaternal outcome in pregnant women with thrombocytopenia
215	Dr. Saima Junejo	Cause and outcome of acute renal failure in women during peripartum period
216	Dr. Amber Abbassi	Perineal injury with vaginal delievery: what are the risks
217	Dr. Sehrish Khan	Frequency and maternal outcome of Eclamptic patients shifted to ICU
218	Dr. Afzeen	Efficacy of foly's catheter in elective termination of pregnancy at 16 to 24 weeks gestration
219	Dr. Mehwish Murad	Abnormal liquor volume: effect on fetal outcome
220	Dr. Saima Ismail Junejo	Expulsion rate of PPIUCD up to 6 weeks from insertion
221	Dr. Erum Laghari	Use of smokeless tobacco during pregnancy and its effect on monthers and fetus
222	Dr. Mehwish Inam	Evaluation of the integrity of uterine scar in patients with previous one cesarrean section presenting with scar-tenderness
223	Dr. Nosheen Memon	Bone loss in perimenopausal women of employed and unemployed group
224	Dr. Koshila	Indication and rate of caesarean section in induced labour at Liaquat University Hospital Jamshoro / Hyderabad

225	Dr. Sajida Munir Siddiqui	Role of Nipedepine in pre-term labour
M.S Orthopaedic Surgery		
226	Dr. Nazar Hussain Shah S/o Mital Shah	comparative study of plaster cast vs pinning for supra condylar fractures of humerus in children
227	Dr. Altaf Hussain s/o Qamaruddin	treatment of diaphyseal fracutre of radius and ulna in adults: planting versus nailing
228	Dr. Allah Nawaz Abbasi S/o Kamal Khan Abbasi	closed intramedullary interlocking nailing for diaphyseal tibial fractures
229	Dr. Mohammad Azeem Akhound s/o Mohammad Akram	supra-condylor femur fracture treated by ilizarov external fixzator
230	Dr. Imran Khan Mahar S/O Muhammad Ashraf	Comparative Study of Closed Diaphyseal Humeral Fractures Treated By Dynamic Compression Plate Versus Interlocking Nail
231	Dr. Yasir Khan Pathan S/O Murad Khan Pathan	Colle's Fracture in Adult Treated by Percutaneous K-Wire Fixation Versus POP Casting
232	Dr. Muhammad Rafique S/o Syno	Diaphyseal Femoral Fractures in Adolescents Intramedullary Nailing Versus Plate and Screw Fixation
233	Dr. Lachman Das S/o Pirbhu Lal	Open Proximal & Distal Fractures Of Tibia Treated By Naseer Awais External Fixator (NAEF) With-Clamp
234	Dr. Zameer Hussain Tunio S/o Muhammad Murad	Infection In Open Fractures
235	Dr. Khwand Bux S/o Wali Muhammad	Diaphyseal Tibia Fractures Treated By Unreamed Intramedullary Interlocking Nail V/s Naseer Awais External Fixation System
236	Dr. Zulfiqar Ali S/o Allah Bux	Close Diaphyseal Fracture Of Femur Treated By Close V/s Open Intramedullary Interlocking Nail Femur
237	Dr. Irfan Ali S/o Muhammad Ramzan	Diaphyseal Humeral Fractures Treated By Plaster Cost V/s Intramedullary Interlocking Nail
238	Dr. Sajjad Ali Surhio	The Efficacy Of Diclofenac Sodium 0.1% In Mnaitaining Mydriasis During Phacoemulcification Surgery
239	Dr. Mohammad Tahir S/o Mohammad Yaqoob Lakho	Comparative Study Of Diaphyseal Female Fractures In Children Treated By Spica Cast Versus Rush Nail Fixation
240	Dr. Abdul Hameed S/o Ali Mohammad Memon	Comparative Study Of Diaphyseal Female Fractures In Children Treated By Spica Cast Versus Rush Nail Fixation

241	Dr. Nizam Ahmed S/o Taj Mohammad	Management Of Open Diaphyseal Fracture of Tibia In Children A Comparative Study Between Plaster Cast V/o External Fixator
242	Dr. Mehmood-ul Hassan S/o Wazir Ahmed	Post Operative Infection After Implant Surgery In Tibia
243	Dr. Hamadullah Soomro	Treatment of closed diaphyseal fractures of femur in children "Comparative study between HIP SPICA and Initial Traction followed by HIP SPICA Cast"
244	Dr. Muhammad Faraz Jokhio	Management of fractures of Proximal tibia treated by Illizarov method
245	Dr. Shakeel Ahmed Memon	Comparative study of conservative (POP Cast) v/s percutaneous screw fixation for the treatment of closed tibial plateau fractures in adults
246	Dr. Abdul Hafeez Qureshi	Correction of congenital Talipes Equino v/s with Ponseti technique
247	Dr. Ashfaq H. Mirjat	Management of open diaphyseal fracture of tibia type II & III. A comparative study b/w A.O & N.A external fixator
248	Dr. Aamir Zafar	Management of Distal 1/3 rd closed forearm fractures in children (Above elbow plaster cast v/s below elbow plaster cast)
249	Dr. Bheesham Kumar	Management of open diaphyseal fracture of tibia adult a comparative study b/w plaster cast vs external fixator
250	Dr. Ashok Kumar	Diaphyseal Humeral fractures treated by plaster cast vs Dynamic compression plate.
251	Dr. Muhammad Kashif Abbasi	Management of Metacarpal Fractures with Mini-Fixator versus Kirschner Wires.
252	Dr. Kishore Kumar	Fracture of Distal Radius treated by Orthofix versus Plaster Cast.
253	Dr. Kanwar Lal Malhi	Supracondylar Fracture of Humerus in Children Treated with Closed Reduction and Percutaneous Cross Pinning versus Two Lateral Pinning.
254	Dr. Zahid Ali	Comparative study between stable and Unstable Intertrochanteric Fracture of Femur Fixed with Dynamic HIP Screw.
255	Dr. Najeeb Rahman	Management of comminuted Intra Articular Fracture of Distal Radius with Closed Reduction and Percutaneous Pinning.
256	Dr. Muhammad Sughat Katoo	Interlocking Intramedullary Nailing Versus Dynamic Condylar Screw in the Management of Subtrochanteric Fracture of Femur

257	Dr. Iftikhar H. Rahoojo	Distal Tibia Fractures Treated with Ilizarov Method
258	Dr. Syed M. Raheel	Management of Infected Non-Union of Tibia by Trifocal Transport With Ilizarov Fixator
259	Dr. Abdul Wajid Kandhar	Bone Mass Density Assessment by Dual Eenergy X-Ray Absorptiometry (DEXA) in Intertrochanteric Fracture of Femur Treated by Fixation
