Mr. Nehal Hashmi
Governor of Sindh and Chancellor

His Excellency
Mr. Syed Murad Ali Shah
Chief Minister of Sindh

Honourable

Dr. Azra Fazal Pechuhu

Sindh Minister for Health and Population Welfare

JINNAH SINDH MEDICAL UNIVERSITY KARACHI

VISION

To be a socially accountable nationally benchmarked institution aspiring to improve health through education, leadership, scholarship and community service.

MISSION

The Jinnah Sindh Medical University exists to serve the state and community by

- Adopting a dynamic integrated curriculum
- Updating teachers through effective faculty development programs
- Imparting best learning opportunities to the students
- Guiding and helping faculty and students towards top quality clinical and education research
- Developing leadership and expertise in healthcare and education
- Promoting concept of lifelong learning, ethics, and preventive medicine care.

MESSAGE

Professor Dr. Amjad Siraj Memon (S.I)
Vice Chancellor
Jinnah Sindh Medical University

With great pleasure, I extend a warm and heartfelt welcome to all aspiring candidates seeking admission to medical and dental educational programs in Sindh. Choosing a career in Medicine or Dentistry is not merely a decision to pursue an academic qualification; it is a commitment to serving humanity and contributing to the health and well-being of society. These professions carry a profound responsibility and require compassion, integrity, discipline, resilience, and a commitment to lifelong learning. Candidates choosing this path must be prepared to meet its challenges, work consistently, and uphold the high professional standards expected of doctors and dentists in Pakistan and around the world. Medical education is a demanding yet rewarding journey that requires strong scientific knowledge, clinical competence, critical thinking, effective communication, teamwork, and a genuine commitment to patient care.

At Jinnah Sindh Medical University, we believe that excellence in healthcare begins with excellence in education. The University continuously strives to incorporate modern teaching methodologies, innovative approaches, and contemporary educational practices into its curriculum and pedagogy, ensuring that students and graduates are equipped with up-to-date knowledge, relevant skills, confidence, and professional competence. JSMU is fortunate to have a distinguished pool of teachers, clinicians, researchers, and medical educationists whose experience, expertise, and dedication contribute significantly to a dynamic academic environment. Alongside academic and clinical learning, the University encourages students to develop professionalism, ethical values, leadership, research interest, teamwork, and a spirit of service, preparing them to respond effectively to the evolving needs of patients, communities, and the healthcare system.

As you embark upon this important phase of your educational journey, I encourage you to approach your studies with dedication, curiosity, discipline, and an open mind. Make full use of the academic resources, guidance, facilities, and opportunities available at JSMU, and remember that learning in healthcare is a lifelong journey that extends well beyond graduation. Your years at the University should be a time of intellectual growth, professional development, personal enrichment, and meaningful service. I am confident that you will find studying at Jinnah Sindh Medical University an enlightening and rewarding experience and will uphold the values of professionalism, respect, responsibility, and compassion throughout your career. I wish all prospective students success and good luck in their studies and future careers, and hope that you will go on to serve humanity with knowledge, integrity, excellence, and distinction.

INTRODUCTION

Jinnah Sindh Medical University (JSMU) is committed to modernizing medical education in Pakistan. Established on June 1, 2012, JSMU started with the reputable Sindh Medical College (SMC) as its first constituent. The University began expanding its repertoire almost immediately as the infrastructure and offices of admissions, examination, administration, finance and others were set up and soon the Institute of Pharmaceutical Science was established. This was followed by APPNA Institute of Public Health, Institute of Health and Business Management and Social Sciences, Sindh Institute of Oral Health Sciences, and Institutes of Nursing, Family Medicine, Medical Education, Physical Rehabilitation, Medical Technology, and Reproductive and Genetic Health.

The total number of institutes under the university is eleven at the moment. The number of affiliated colleges and programs is around 23 and the enrolment figures of medical and allied health sciences students exceeds 10,000, making it the largest medical university in Sindh.

JSMU is distinguished by the quality of its individuals and their commitment to modernizing and updating its curricula and facilities. Highly seasoned faculty and staff run its constituent medical college and institutes. University students receive clinical training in prestigious national institutions like the Jinnah Postgraduate Medical Centre (JPMC), National Institute of Child Health (NICH), and National Institute of Cardiovascular Diseases (NICVD).

JSMU is working towards the vision of a modern university at par with international standards by emphasizing e-learning and developing technology-based teaching and learning initiatives. It recently became the first public sector medical university to administer computer-based semester, BDS, and Diploma in Physiotherapy examination to its registered students from affiliated colleges.

The University offers e-learning courses with currently more than 150 courses online for its students in affiliated colleges and has trained more than 100 faculty members in creating e-learning material. It was also the first public sector university in Pakistan to provide free wi-fi facility to students and faculty.

JSMU is also a proud part of Pakistan Education and Research Network (PERN2). This project facilitates teachers and students to access Internet, digital library with thousands of free eBooks and journals, plagiarism detection software Turnitin, and Video Conferencing facility.

The 257 mbps internet bandwidth on CIR is used for digital library access, audio/video communication, high definition streaming, server hosting, website applications/portals, heavy duty download services and other services that rely on high speed internet. A dedicated state-of-the-art video conferencing facility is available where interactive video lectures and meetings can be conducted among multiple remote locations.

JSMU also has access to the digital library of the Higher Education Commission, which provides thousands of free e-books and journals for students and faculty with wide range of disciplines for research and education purpose. This digital library can be accessed from the computer labs and on portable devices through Wi-Fi facility in the university.

Biometric and face recognition attendance system is in place for the students and the University Staff. This system provides a transparent way to mark the attendance with a comprehensive reporting system.

AFFILIATED INSTITUTIONS

The following medical and dental Colleges and programs are affiliated with JSMU after meeting the standards set by the Affiliation Committee of the University

AFFILIATED INSTITUTIONS AND PROGRAMMES

1. Liaquat National Hospital Medical College, Karachi
2. Liaquat College of Medicine & Dentistry, Karachi
3. Jinnah Medical and Dental College, Karachi
4. United Medical and Dental College, Karachi
5. Sir Syed College of Medical and Dental Sciences, Karachi
6. Altamash Institute of Dental Medicine, Karachi
7. Fatima Jinnah Dental College, Karachi
8. Hayat Institute of Rehabilitation Medicine, Karachi
9. South City Institute of Physical Therapy and Rehabilitation, Karachi
10. Abu Zafar Institute of Medical Sciences, Karachi
11. Jinnah College of Rehabilitation Sciences
12. MC College of Medical & Allied Health Sciences, Karachi
13. Karachi Institute of Physiotherapy and Rehabilitation sciences, Karachi
14. Indus College of Physical Therapy and Rehabilitation, Karachi
15. South City Institute of Nursing, Karachi
16. Jinnah College of Nursing, Karachi
17. Nursing College, National Institute of Child Health, Karachi
18. Chiniot Institute of Nursing & Midwifery, Karachi.
19. Liaquat College of Nursing & Allied Health, Karachi
20. Indus College of Medical Technology & Allied Health Sciences
21. Department of Health Professions Education, LNHM, Karachi
22. College of Occupational Therapy, JPMC
23. Indus Hospital and Health Network
24. Altamash College of Physical Therapy
25. Altamash College of Nursing
26. Sindh Modern College of Nursing & Health Sciences
27. Pakistan Institute of Nursing & Health Sciences
28. MC College of Medical & Allied Health Sciences
29. Pakistan Institute of Pharmaceutical & Health Sciences
30. Department of Altamash institute Medical Education

SINDH MEDICAL COLLEGE (SMC-JSMU)

The Government of Sindh established the Sindh Medical College (SMC) on 7th April 1973, to meet the growing need of healthcare professionals in the Sindh province. Professor Khwaja Muinuddin Ahmed was appointed the project director and the first principal of the new college.

Started in the building of the pediatric ward of the Jinnah Postgraduate Medical Centre (JPMC), the college began operating with three departments initially: Anatomy, Physiology, and Biochemistry. As the college building was constructed shortly afterwards, the departments of Pathology, Forensic Medicine, and Community Medicine, were added with modern teaching facilities, laboratories, and museums. An administration block was also constructed. The students receive rigorous training in a professional environment at the Jinnah Postgraduate Medical Centre (JPMC), National Institute of Child Health (NICH), and the National Institute of Cardiovascular Diseases (NICVD).

MODULAR INTEGRATED CURRICULUM

Sindh Medical College follows the modular integrated curriculum which is among the most modern and student friendly teaching systems. The students are exposed to terminal objectives and clinical application of the initial knowledge from day one. The eventual integration between different subjects helps the students in building concepts.

PROBLEM BASED LEARNING

This is an advance method of integration for clinical students. This technique of clinical teaching is the latest and has an impact on the second spiral modular teaching.

The problem is uploaded on website and is discussed in small groups of students in two or more sessions. During the discussion students are trained to develop critical problem-solving approach in rapidly changing clinical scenarios.

POWER LAB

Power Lab teaches scientific principles as well as data acquisition skills. The user-friendly system provides students with the hardware and software to perform a wide range of basic human physiology experiments including cardiovascular, respiratory, muscular, and neurological systems. Its installation at SMC has replaced the old system of physiology and pharmacology practical examinations.

BASIC ACADEMIC DEPARTMENT

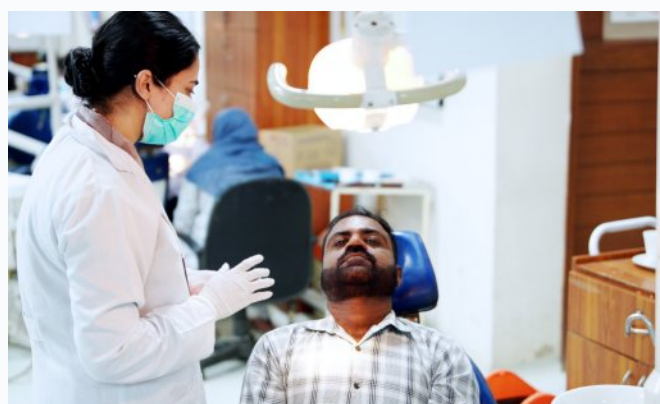

Anatomy, Physiology, Pathology, Biochemistry, Pharmacology, Forensic Medicine, Community Medicine

CLINICAL DEPARTMENTS

Medicine and Allied, Pediatrics, Surgery and Allied, ENT, Gynecology and Obstetrics, and Ophthalmology.

SINDH INSTITUTE OF ORAL HEALTH SCIENCES (SIOHS-JSMU)

Sindh Institute of Oral Health Sciences was established on November 15, 2014 to meet the needs of the province in the area of dentistry. One of the aims of the Institute is to be internationally recognized as a leader in dental education, research, patient care, and community service.

The SIOHS is conceived to be a state-of-the-art institution that meets international standards in dental education and training, and contributes to global knowledge base by engaging in relevant and ethical research. Bachelors of Dental Surgery (BDS): SIOHS is currently offering a 4-years degree program Bachelors of Dental Surgery (BDS) and preparing to start the postgraduate program including PhD, M. Phil, Masters, and Fellowships in all disciplines of dentistry.

The dental OPD working under JSMU's Sindh Institute of Oral Health Sciences has the capacity to serve up to 200 patients in a day. Services range from diagnosis to dental implants. Standard protocols of sanitization and sterilization are strictly followed. Postgraduate faculty provides compassionate care to patients. SIOHS is also a recognized training site for FCPS.

OTHER CONSTITUENT COLLEGES AND INSTITUTES OF JSMU KARACHI

1. APPNA Institute of Public Health (AIPH-JSMU)
2. Institute of Health & Business Management (IHBM-JSMU)
3. Institute of Pharmaceutical Sciences (IPS-JSMU)
4. Institute of Family Medicine (IFM-JSMU)
5. Institute of Nursing and Midwifery (IONAM-JSMU)
6. Institute of Physical therapy and Rehabilitation (IPR-JSMU)
7. Institute of Medical Education (IME-JSMU)
8. Institute of Medical Technology (IMT-JSMU)
9. JSMU Diagnostic Laboratory
10. M.Phil Program in Clinical Pathology and Histopathology
11. Sindh Reproductive and Genetic Health Centre (SRGHC-JSMU)

LIBRARIES

JSMU has a Sindh Medical College (SMC) Main library name (Prof Shahid Rasul Memorial Library) and five other institutional libraries to support the academic programs of medical sciences, Pharmaceutical Sciences, Oral Health Sciences, Health & Business Management, Public Health and Nursing and Midwifery. At present, JSMU has three campuses. In the main campus, the Main Library is at Sindh Medical College, a library at Sindh Institution of Oral Health Sciences (SIOHS), the Digital Library and a lending library. In campus II, other institutional libraries are functioning in the Institute of health and business management and social sciences (IOHBMSS), Institute of Pharmaceutical Sciences (IPS) and the library of the APPNA Institute of Public Health (AIPH) and relatively newer library of Institute of Nursing and Mid Wifery at Landhi Campus.

- Total number of Available books at all libraries: **10000+**
- Digital Books Available Titles **1000+**
- International journals Hardcopy: **06**
- International Journals Digital Available on HEC Digital Library Databases
- National journals: **16**
- RFID Security System facility at Main Library.
- Biometric and facial attendance System.
- Free Internet facility on all campuses.
- Digital OPAC (Online Public Access Catalogue) can be access from anywhere.
- Separate Discussion Rooms and Group Study facility.
- State of the Art Digital Library facility.

COMPUTERS

More than 300 computers are available in digital library which are utilized by our students for research purposes, with access to HEC database where thousands of medical journals and books are available. Online examinations are also conducted on these computer systems.

Scholarship / Financial Aid Office

Jinnah Sindh Medical University is providing financial assistance and scholarships to its students since its inception in 2014.

JSMU scholarship program is working with the objective that no student should discontinue his/her education for not able to pay the fees. We try to provide best possible opportunities to students through a number of available programs which are as follows:

1. JSMU merit scholarship
2. JSMU needs based scholarship
3. HEC needs-based scholarship
4. Sindh Endowment Fund scholarship
5. Sindh Government financial assistance out of Zakat Fund
6. Professional Educational Fund (PEF)
7. Scholarship offered to students of Indian Occupied Kashmir
8. Scholarship offered to Afghan students
9. Pakistan Technical Assistance Program (PTAP) Scholarship
10. Scholarships from various philanthropists of country
11. Educational Interest Free Loans scheme offered by NBP
12. Minority scholarship from federal and provincial governments
13. University of Karachi Alumni Association Scholarship
14. HEC EHSAAS need cum merit undergraduate scholarship
15. Patients Aid Foundation scholarship
16. Interest-free loans from Ihsan Trust

RESEARCH AT JSMU

The Institutional Review Board (IRB) is an independent body responsible for reviewing research proposals and synopses. It evaluates research for scientific and ethical standards. The IRB functions under the Research Department. It reviews the methodology, potential risks, and informed consent procedures.

It provides recommendations to ensure the quality and ethical conduct of research.

During 2025-26 total 116 study protocols were reviewed.

The purpose of the Advance Studies and Research Board (BASR) is to formulate rules and regulations for postgraduate students. The Board is responsible for reviewing and approving research synopses and theses and, ultimately, recommending the approval of postgraduate degrees and certificates. The Vice Chancellor of the University serves as the Chairman of the Board, while the members include the Deans, three Professors, and three university teachers. The Board is supported by the relevant university officials and administrative staff in carrying out its functions. In 2025, the BASR met four times and reviewed and approved Masters and PhD theses in accordance with the prescribed academic and research requirements.

The Research Department is also responsible for establishing and maintaining academic and research linkages with international universities, research centers, and other academic institutions. The Department has successfully collaborated with several international universities, research institutions, and national organizations. These collaborations aim to promote joint research, academic cooperation, knowledge exchange, faculty and student development, and other scholarly activities.

RESEARCH DEPARTMENT IS ALSO RESPONSIBLE FOR THE FOLLOWING COMMITTEES

Scientific Committee

University Research Funding

Credit Transfer Committee

Postgraduate Thesis Defense

SMART UNIVERSITY

1. Pakistan Education and Research Network (PERN2)

Jinnah Sindh Medical University (JSMU) is a proud member of the Pakistan Education and Research Network (PERN2). This initiative enables students and faculty to access a wide range of digital academic resources and advanced communication facilities, including:

High-speed internet connectivity

Thousands of free e-books and academic journals

Higher Education Commission (HEC) Digital Library

Turnitin plagiarism detection software

Video conferencing facilities

The University has 400 Mbps primary and secondary internet bandwidth on CIR, which supports digital library access, audio/video communication, high-definition streaming, server hosting, web applications and portals, heavy-duty downloads, and other services requiring high-speed internet connectivity.

JSMU also has a dedicated state-of-the-art video conferencing facility that enables interactive lectures, academic sessions, and meetings among multiple remote locations. The facility is equipped with Ultra-High Definition (UHD) display screens and advanced video conferencing codecs, providing clear and high-quality audio and visual communication.

2. Digital Library and Computer Facilities

JSMU has more than 600 computers available in its Digital Library and computer facilities. These systems are extensively used by students for research, academic activities, and online examinations.

The University provides access to the HEC Digital Library, which offers thousands of e-books and medical and scientific journals covering a wide range of disciplines. Students and faculty can access these resources through the University's computer labs as well as portable devices connected to the University's Wi-Fi network.

3. Centralized Wi-Fi and Eduroam Facility

Jinnah Sindh Medical University is among the first public-sector medical universities in Pakistan to provide centralized Wi-Fi connectivity to its students and faculty.

The University's Wi-Fi network provides blanket coverage across Campus 1 and Campus 2 and is available around the clock. Students and faculty can access the internet using smartphones, laptops, and other compatible devices.

JSMU also provides Eduroam connectivity, allowing students and faculty to use their JSMU Eduroam credentials to access Wi-Fi services at participating educational and research institutions around the world.

The centralized Wi-Fi infrastructure supports access to:

Digital libraries and online academic resources

Audio and video communication

High-definition streaming

Web applications and online portals

Server-hosted services

Research and academic platforms

High-volume data downloads

4. Biometric and Face Recognition Attendance System

JSMU has implemented a biometric and facial recognition-based attendance system for students and University staff.

The system provides a transparent and efficient method of recording attendance and includes a comprehensive reporting mechanism for monitoring and maintaining attendance records.

5. Security and Surveillance System

To strengthen security across the University, approximately 560 security cameras have been installed at JSMU campuses.

The surveillance system covers key areas, including:

Campus 1

Campus 2

Hostels

Laboratories

Other important facilities

This initiative is aligned with the Higher Education Commission's (HEC) Safe University Project, supporting JSMU's commitment to providing a secure and technologically advanced learning environment.

HARASSMENT POLICY

Jinnah Sindh Medical University (JSMU) is committed to providing a safe, respectful, inclusive, and harassment-free environment for all members of the University community. In accordance with the **HEC Policy on Protection against Harassment in Higher Education Institutions** and applicable laws of Pakistan, JSMU maintains **zero tolerance for any form of harassment, discrimination, intimidation, victimization, or misconduct**. The Policy applies to all students, faculty, staff, visitors, and other persons associated with the University.

JSMU promotes awareness and prevention of harassment and provides appropriate mechanisms for the **confidential reporting, fair and timely investigation, and resolution of complaints**. Protection against retaliation and victimization shall be ensured in accordance with applicable rules. Any person found responsible for harassment shall be subject to appropriate disciplinary action under **HEC policy, JSMU regulations, and applicable law**, with referral to relevant authorities where required.

All members of the University community are expected to respect the dignity, safety, and rights of others and to comply with the **HEC Harassment Policy and JSMU Harassment Policy**.

The harassment policy is available on the JSMU website: www.jsmu.edu.pk/Sops-and-policies.html

JSMU POLICY ON DRUG AND TOBACCO ABUSE

Jinnah Sindh Medical University (JSMU) is committed to maintaining a drug-free and smoke-free environment and promoting the health, safety and well-being of its students and the entire University community.

The use, possession, distribution or sale of illegal drugs, as well as unlawful use of tobacco products, is prohibited on University premises and during University-related activities. The Policy applies to students, faculty, staff, visitors and other persons present on University premises.

JSMU undertakes awareness and preventive initiatives regarding the harmful effects of drugs and tobacco and provides access to appropriate counselling, medical and rehabilitative support for students and other members of the University community who may require assistance. HEC requires newly admitted students to receive orientation on drug and tobacco abuse and encourages awareness activities throughout the academic year.

Violations of the Policy may result in disciplinary action and, where applicable, reporting to the relevant authorities, in accordance with the HEC Policy, JSMU regulations and applicable laws.

The complete HEC Policy on Drug and Tobacco Abuse in Higher Education Institutions is available on the JSMU website: <https://www.jsmu.edu.pk/student-affairs-policy.html>

All students are expected to read and comply with the University's Drug and Tobacco Abuse Policy and applicable laws.

 - Fourth month10% of tuition fee

AFTER FOUR MONTHS OF NON PAYMENT, THE SEAT IS LIABLE TO BE CANCELLED AND STUDENT WILL NOT BE ALLOWED TO APPEAR IN ANY EXAMINATION.

4. Fee may be revised by the university at any time during the course of the study, due to unavoidable circumstances.

Dow University of Health Sciences

MESSAGE

Professor Nazli Hossain
Vice Chancellor
Dow University of Health Sciences

It gives me great pleasure to welcome you to Dow University of Health Sciences, a premier institution committed to excellence in medical, dental, and health sciences education. As you embark on one of the most significant journeys of your academic life, I congratulate you on choosing a profession dedicated to the service of humanity.

At DUHS, we strive to provide an educational experience that combines academic rigor with clinical excellence, innovation, and research. Our MBBS and BDS programs are designed to equip students with the knowledge, clinical competence, and professional values required to meet the evolving needs of modern healthcare, both nationally and internationally.

Our distinguished faculty, state of the art laboratories, simulation facilities, teaching hospitals, and research centers provide an environment that encourages critical thinking, lifelong learning, and scientific inquiry. Dow University Hospital is the first public sector hospital accredited by Sindh Healthcare Commission. We are committed to nurturing future healthcare professionals who are not only skilled clinicians but also ethical leaders, compassionate caregivers, and responsible members of society.

Education at Dow University extends beyond the classroom. We encourage our students to embrace teamwork, community engagement, and innovation while upholding the highest standards of integrity and professionalism. These values have enabled our graduates to make meaningful contributions to healthcare, research, academia, and public service across Pakistan and around the world. Considering importance of AI in modern world, the curriculum has been updated to accommodate AI from beginning of their journey.

As you prepare to join the Dow family, I invite you to make the most of the opportunities that await you. Your years at the University will shape not only your professional career but also your character, vision, and commitment to improving the lives of others. We educate you to become ambassadors of Dow University.

I warmly welcome you to Dow University of Health Sciences and wish you every success in your pursuit of excellence and service to humanity.

INTRODUCTION

Dow University of Health Sciences (DUHS) stands among Pakistan's leading institutions in medical and health sciences education. Established in 2003, DUHS has grown rapidly to become one of the country's largest and most diverse medical universities, comprising over twenty constituent colleges and institutes offering a wide range of undergraduate and postgraduate programs.

The University is committed to academic excellence, innovation, and community service. With state-of-the-art laboratories, museums, and digital learning resources, DUHS ensures an environment that promotes both learning and research. Its digital library offers access to thousands of international journals and textbooks, enabling students to stay connected to global knowledge.

Hands-on training is a cornerstone of DUHS's philosophy. The Professional Development Centre (PDC) provides advanced simulation-based learning with modern manikins, ICU models, and operation theatre setups, while dedicated skills labs support the training of undergraduate and postgraduate students alike. Through its strong academic framework, modern infrastructure, and focus on professional growth, DUHS continues to produce skilled healthcare professionals who contribute to national and global health advancement.

DOW MEDICAL COLLEGE (DMC)

Dow Medical College (DMC) was established in 1945 by converting the former Medical School of Hyderabad, originally founded by Dr. Homestead in 1881, shifting to Karachi in 1946. In recognition of Sir Hugh Dow, the then Governor of Sindh, contributions in establishing the College, the College was named after him.

A new customized building for the College was soon constructed in close proximity to Civil Hospital, which was also designated as its teaching hospital. Initially, DMC was affiliated with the University of Bombay. After the creation of Pakistan, its affiliation shifted to Sindh University in December 1947. In 1951, following the establishment of Karachi University and the relocation of Sindh University to Hyderabad, the College became affiliated with the University of

Karachi. In December 2003, Dow University of Health Sciences (DUHS) was established with three constituent institutions, one of which was Dow Medical College.

Since its inception, the College has continuously evolved, introducing numerous academic and infrastructural improvements. Today, it is a full-fledged institution offering undergraduate, supported by a team of qualified and experienced faculty. It is also recognized as one of the largest medical institutions in the country.

Over the past 70 years, DMC has been established as one of the oldest and most prestigious medical colleges in Sindh. Its highly qualified and dedicated faculty has contributed extensively to the teaching and training of medical students. With more than 22,000 graduates serving with distinction across the globe, the College has built an enduring legacy. DMC remains closely affiliated with Dr. Ruth K. M. Pfau, Civil Hospital Karachi, Pakistan's largest teaching hospital, equipped with nearly all major specialties and over 2,000 beds providing comprehensive clinical training. The College has a most modern high fidelity Simulation Centre becoming a pioneer of simulation-based training in Public Medical Colleges.

The College places significant emphasis on fostering a holistic student experience by ensuring access to safe and fully equipped facilities with modern academic amenities, male and female hostels for national and international students and also a daycare facility. A broad spectrum of extracurricular activities is offered to support students' overall development. Additionally, comprehensive mentorship and counseling programs are in place to assist students in navigating academic and personal challenges, while cultivating resilience, professionalism, and sustained personal growth.

Through its steadfast commitment to research excellence, supportive academic environment, and a forward-looking vision aligned with global standards, DMC prepares its students to become highly skilled, compassionate, and knowledgeable professionals capable of making a meaningful and enduring contribution to the medical field worldwide.

DOW INTERNATIONAL MEDICAL COLLEGE (DIMC)

Dow International Medical College (DIMC), established in 2007, is affiliated with Dow University of Health Sciences and committed to cultivating global leaders in healthcare through excellence in medical education, advanced research, and compassionate patient care. The college focuses on delivering high quality medical education tailored to the needs of overseas Pakistanis and international students. Each year, 150 students comprising overseas Pakistanis and foreign nationals are admitted to the MBBS program. In case of any vacant seats, these are offered to the candidates under the Overseas Sponsored Category. The MBBS program is conducted in accordance with the standards of the Pakistan Medical and Dental Council (PM&DC). Since 2009, DIMC has followed a spirally integrated modular curriculum that promotes interdisciplinary learning and equips students with a comprehensive understanding of modern medicine.

DIMC's impressive 200,000 square foot campus includes five advanced laboratories, a Power Lab, an Anatomy and Forensic Museum, and the Dow Animal House, providing excellent opportunities for practical training and research. The college also features a three story library with a digital library, reading rooms, and video conferencing facilities that support academic excellence and research innovation. A strong research culture is fostered through collaborations with international research institutions and active faculty mentorship in research design, methodology, and scientific publication.

Clinical training is strengthened through affiliations with renowned teaching hospitals and specialized institutes, including the 600 bed Dow University Hospital, Ojha Institute of Chest Diseases, Sindh Infectious Diseases Hospital, Dr. Abdul Qadeer Khan Institute of Behavioral Sciences, the National Institute of Liver and Gastrointestinal Diseases, the National Institute of Diabetes and Endocrinology, the Gamma Knife Radiosurgery Center, the Dow Institute of Radiology with PET scan facilities, and Community Clinics. These affiliations provide students with extensive clinical exposure across a broad range of medical specialties.

The college also promotes a well-rounded student experience through secure male and female hostels, sports facilities, a modern gymnasium, and a variety of extracurricular activities. Dedicated counselling and mentorship programs support students' academic, professional, and personal development, fostering resilience, leadership, and professionalism throughout their medical education.

DIMC enjoys international recognition and is listed in the World Health Organization (WHO) World Directory of Medical Schools and IMED FAIMER. The college is accredited and recognized by the American Medical Residency Certification Board (AMRCB), the Medical Board of California (MBC), and the College of Physicians and Surgeons Pakistan (CPSP), enabling its graduates to pursue postgraduate training and professional opportunities both within Pakistan and internationally.

With its commitment to academic excellence, research, innovation, and compassionate healthcare, DIMC prepares future physicians to become skilled, ethical, and globally competent medical professionals dedicated to improving health outcomes worldwide.

DENTAL COLLEGES OF DOW UNIVERSITY DR. ISHRAT-UL-EBAD KHAN INSTITUTE OF ORAL HEALTH SCIENCES (DIKIOHS)

Dr. Ishrat-ul-Ebad Khan Institute of Oral Health Sciences (DIKIOHS), a constituent institute of Dow University of Health Sciences (DUHS), was established in 2006 with the vision of promoting academic excellence, developing competent oral healthcare professionals, advancing dental research, and providing quality oral healthcare services to the community.

Over the years, DIKIOHS has earned recognition as one of Pakistan's leading dental institutions, offering modern dental education, comprehensive clinical training, and patient-centered care. The Institute is equipped with contemporary teaching facilities, advanced laboratories, simulation and pre-clinical training facilities, digital learning resources, and a fully functional Dental Hospital that provides students with extensive clinical exposure under the supervision of experienced and highly qualified faculty.

DIKIOHS offers undergraduate and postgraduate academic programs recognized by the Pakistan Medical and Dental Council (PM&DC), the Higher Education Commission (HEC), and the College of Physicians and Surgeons Pakistan (CPSP). The flagship Bachelor of Dental Surgery (BDS) program integrates basic sciences, pre-clinical education, and supervised clinical practice to prepare graduates for successful professional careers. The Institute also offers undergraduate programs through the School of Dental Care Professionals, contributing to the development of skilled allied oral healthcare professionals.

The postgraduate portfolio includes Master of Dental Surgery (MDS) programs in Basic and Clinical Sciences, covering disciplines such as Dental Materials, Oral Biology, Oral Pathology, Community Dentistry, Operative Dentistry, Orthodontics, Oral & Maxillofacial Surgery, and Prosthodontics. DIKIOHS is also an accredited training centre for the Fellowship of the College of Physicians and Surgeons (FCPS), providing structured residency training under CPSP-approved supervisors.

The Institute's Dental Hospital comprises specialized outpatient departments offering comprehensive preventive, restorative, surgical, and rehabilitative oral healthcare services. Recognized by the Sindh Healthcare Commission, these facilities not only serve the community but also provide invaluable hands-on clinical experience for students.

Research, innovation, and professional development are integral to the academic environment at DIKIOHS. Faculty and students actively participate in research activities, scientific conferences, workshops, seminars, and continuing professional development programs that promote evidence-based practice and lifelong learning.

Beyond academics, DIKIOHS encourages students to participate in community outreach programs, sports, cultural activities, student societies, and leadership initiatives. These experiences foster professionalism, teamwork, communication, and social responsibility.

With a commitment to excellence in education, research, patient care, and community service, DIKIOHS continues to strengthen its academic programs and clinical training while preparing competent, ethical, and compassionate dental professionals to meet the evolving healthcare needs of Pakistan and the global community.

DOW DENTAL COLLEGE (DDC)

Established in 2012, Dow Dental College (DDC) is a constituent institution of Dow University of Health Sciences, envisioned to achieve professional excellence in dental education, research, and clinical care. The college offers a four-year Bachelor of Dental Surgery (BDS) program designed to meet contemporary standards of dental education and practice.

DDC takes pride in its highly qualified and diverse faculty trained at leading national and international institutions. In addition, faculty from Dow Medical College contribute to teaching basic and clinical sciences, ensuring a strong interdisciplinary foundation.

The college is equipped with a state-of-the-art Dental Hospital, providing comprehensive oral health services to the community at subsidized rates, supported by a team of skilled clinicians. Its association with Dr. Ruth K. M. Pfau, Civil Hospital and Shaheed Mohtarma Benazir Bhutto Institute of Trauma enhance the clinical training experience, particularly through the Oral and Maxillofacial Surgery (OMFS) ward, where students, interns, and postgraduate trainees gain hands-on exposure to complex cases including oral cancers and facial trauma.

DDC is the first public sector dental institute to receive a regular license from the Sindh Healthcare Commission. It also stands out as the only dental college in Pakistan with a fully equipped Advanced Research Laboratory, enabling both faculty and students to conduct high-quality research within the campus.

With ongoing initiatives such as the establishment of a dedicated Pediatric Dentistry Department, expansion of diagnostic facilities with CBCT technology, and initiation of FCPS training in multiple disciplines, DDC continues to advance in clinical education and patient care.

Looking ahead, DDC envisions introducing PhD program in different dental disciplines, strengthening its role as a center of excellence in dental sciences and shaping the future of dentistry in Pakistan.

DOW INTERNATIONAL DENTAL COLLEGE (DIDC)

Dow International Dental College (DIDC) is an integral constituent institution of Dow University of Health Sciences (DUHS). The state-of-the-art Dental College was established in December 2011 as Dental Section, Dow International Medical College, Dow University of Health Sciences. It was created to provide excellence in academia, research orientation in the highest quality of scientifically proven therapeutic services to the community.

The college is recognized and registered with PM&DC for the undergraduate BDS Program. It is also recognized for postgraduation programs like Masters and Fellowships.

Currently, more than 200 students are enrolled in DIDC. These students are catered by top-of-the-line, highly experienced and qualified Faculty in respective Clinical and Basic Medical & Dental Sciences Departments.

Dow International Dental College is well equipped with High-Tec Laboratories, Simulation center, Lecture Halls, Tutorial Rooms, Auditoriums, Digital Library & Museum.

Dow International Dental College Hospital is providing quality health care services through its well-established OPDs in Chanesar Town and Medical Ward in Gulistan - e - Johar Hospital. Both campuses provide state of the art learning opportunities to facilitate the students of Dow University of Health Sciences.

CONSTITUENT INSTITUTES OF DOW UNIVERSITY
Dow College of Pharmacy (DCOP)

Established in 2008 and elevated to the Faculty of Pharmaceutical Sciences in 2014, Dow College of Pharmacy is recognized by the Pharmacy Council of Pakistan and the Higher Education Commission (HEC) as one of Sindh's leading pharmacy institutions. It offers a five year Pharm.D. program in morning and evening shifts, along with M.Phil. and Ph.D. programs. The curriculum combines strong scientific foundations with extensive clinical and pharmaceutical training in hospitals and healthcare settings. Equipped with modern laboratories, experienced faculty, and active research supervision, the college promotes innovation and evidence-based learning. Through quality education, research, and professional training, DCOP prepares competent pharmacists to meet the evolving needs of healthcare, academia, research, and the pharmaceutical industry.

DOW INSTITUTE OF PHYSICAL MEDICINE & REHABILITATION (DIPM&R)

Located at Ojha Campus, the Dow Institute of Physical Medicine & Rehabilitation is committed to excellence in rehabilitation sciences education, clinical practice, and research. It offers a five year Doctor of Physical Therapy (DPT) program along with postgraduate programs in Advanced Physiotherapy and Physical Therapy. The institute provides experienced faculty, modern classrooms, well equipped laboratories, and comprehensive clinical training in physical therapy, occupational therapy, speech therapy, psychology, and prosthetics and orthotics. Through an integrated approach to education and patient care, DIPM&R prepares highly skilled rehabilitation professionals capable of serving diverse healthcare settings nationally and internationally.

DOW INSTITUTE OF NURSING AND MIDWIFERY (DIONAM)

Established in 2006 at the Ojha Campus with the support of the Higher Education Commission, Dow Institute of Nursing & Midwifery is a premier institution dedicated to excellence in nursing education, practice, and research. Recognized by the Higher Education Commission and the Pakistan Nursing & Midwifery Council, the institute offers BS Nursing, Post RN BSN and Master in Nursing programs designed to meet the growing healthcare needs of Pakistan. Combining academic excellence with extensive clinical training and research opportunities, DION&M develops competent, ethical, and compassionate nursing professionals while promoting leadership, lifelong learning, and culturally responsive healthcare.

SCHOOL OF PUBLIC HEALTH (SPH)

Established in 2012, the School of Public Health prepares future public health professionals to address emerging health challenges through education, research, and community engagement. It offers undergraduate programs in Public Health and Human Nutrition & Dietetics, along with postgraduate programs in Public Health, Biostatistics, Epidemiology, Social and Behavioral Sciences, Health Policy, and Public Health Nutrition. The curriculum integrates evidence-based learning, research, and practical field experience to develop leadership and analytical skills. Through innovation and collaboration, SPH is committed to improving population health and strengthening healthcare systems.

DOW COLLEGE OF BIOTECHNOLOGY (DCOB)

Dow College of Biotechnology offers a four-year BS Biotechnology program in a modern academic and research environment within the Dow Research and Diagnostics Complex. The curriculum is aligned with Higher Education Commission standards and combines comprehensive theoretical instruction with extensive laboratory-based training. Supported by highly qualified faculty, advanced research laboratories, and an active research culture, the college equips students with the scientific knowledge and technical expertise required to address challenges in healthcare, biotechnology, food sciences, environmental sciences, and industry. DCoB promotes innovation, critical thinking, and scientific excellence to prepare graduates for careers in research, academia, and biotechnology industries.

DOW INSTITUTE OF RADIOLOGY (DIR)

Established in 2008, the Dow Institute of Radiology is dedicated to excellence in medical imaging, education, research, and clinical services. It offers a four-year BS Radiologic Technology program that integrates basic sciences with comprehensive practical training in diagnostic imaging modalities including X ray, CT, MRI, ultrasound, mammography, and fluoroscopy. Students receive hands on training under the supervision of experienced faculty and technologists while emphasizing patient safety and radiation protection. The institute prepares graduates with the technical competence and clinical expertise required to deliver high quality diagnostic imaging services across diverse healthcare settings

INSTITUTE OF BUSINESS & HEALTH MANAGEMENT (IBHM)

Established in 2007, the Institute of Business & Health Management develops future leaders in healthcare management and business administration through innovative, industry relevant education. It offers undergraduate and postgraduate programs including BBA, BS Accounting & Finance, BS Healthcare Management & Leadership, MBA, and MS Management Sciences. Combining academic excellence with practical learning, technology, leadership development, and professional exposure, IBHM equips graduates with the skills needed to succeed in healthcare organizations, corporate sectors, and entrepreneurial ventures. Its commitment to innovation and quality education has produced graduates serving in leading organizations nationally and internationally.

DOW INSTITUTE OF MEDICAL TECHNOLOGY (DIMIT)

Established in 2006, the Dow Institute of Medical Technology is one of Pakistan's leading institutions for allied health sciences education. The institute offers the BS Medical Technology program in Clinical Laboratory Sciences, Cardiac Perfusion, Respiratory and Critical Care Technology, Surgical Technology, Nuclear Medicine, Neurophysiology, and Renal Dialysis Technology. It also offers a five year Doctor of Optometry program.

The curriculum emphasizes evidence based practice, clinical competence, research, and ethical professional development through extensive laboratory training and clinical placements at

affiliated hospitals. DIMIT also offers postgraduate education in Medical Technology, supporting advanced learning and research. The institute prepares highly skilled allied health professionals to meet the growing demands of modern healthcare.

SCHOOL OF DENTAL CARE PROFESSIONALS (SDCP)

The School of Dental Care Professionals is a pioneering institution dedicated to advancing dental allied health education and strengthening team based oral healthcare. It offers four-year BS programs in Dental Hygiene and Dental Technology in collaboration with the Faculty of Dentistry at Dow University of Health Sciences. The curriculum integrates classroom instruction with extensive preclinical, clinical, and internship training to develop competent dental care professionals. Through innovation, research, and patient centered education, SDCP prepares graduates to support modern dental practice and contribute to improved oral health outcomes.

DR. A.Q. KHAN INSTITUTE OF BEHAVIORAL SCIENCES

The Dr. A. Q. Khan Institute of Behavioral Sciences offers a four-year BS Psychology program designed to develop a comprehensive understanding of human behavior, mental health, and psychological sciences. The curriculum combines theoretical knowledge with practical experience through clinical rotations, internships, and supervised training in diverse healthcare and community settings. With a strong emphasis on research, ethics, and professional practice, the institute prepares graduates for careers in mental health services, education, research, and related fields while addressing the growing need for qualified mental health professionals in Pakistan.

DEPARTMENT OF FORENSIC MEDICINE & TOXICOLOGY

The Department of Forensic Medicine & Toxicology offers a four-year BS Forensic Science program that combines scientific principles with legal applications to prepare graduates for modern forensic practice. Students receive comprehensive training in forensic biology, DNA analysis, toxicology, crime scene investigation, digital forensics, and evidence management through laboratory based learning and practical experience. Supported by experienced faculty and modern facilities, the program develops analytical, investigative, and ethical competencies required for careers in forensic laboratories, law enforcement agencies, judicial services, and research institutions.

DOW INSTITUTE OF CARDIOLOGY

The Dow Institute of Cardiology offers a four-year BS Cardiovascular Technology program that prepares students to support the diagnosis and management of cardiovascular diseases. The curriculum integrates medical sciences with specialized training in electrocardiography, echocardiography, cardiac catheterization, and other cardiovascular diagnostic procedures. Through practical clinical experience in advanced cardiac care facilities, students develop the technical expertise and professional skills required to contribute effectively to multidisciplinary cardiac healthcare teams and research.

SCHOOL OF POSTGRADUATE STUDIES

The School of Postgraduate Studies serves as the central coordinating body for postgraduate education at Dow University of Health Sciences. It oversees the planning, development, accreditation, admissions, examinations, and quality assurance of postgraduate academic programs across the university. SPGS coordinates Ph.D., M.Phil., FCPS, MCPS, Master's, Diploma, and Fellowship programs while ensuring compliance with the standards of the Higher Education Commission, Pakistan Medical & Dental Council, and other regulatory bodies. Through its strong academic governance and research focused environment, SPGS supports advanced education, innovation, and professional excellence across basic, clinical, and allied health sciences.

SEAT DISTRIBUTION FOR MBBS COURSE ON MERIT at Dow Medical College (DMC)

	Dow Medical College
OPEN MERIT AT DMC (One Seat for BMC) •Karachi District.....237 •Reserved seat for Balochistan.....01	238
RESERVED SEATS FOR CANDIDATES OF DISTRICTS OF SINDH OTHER THAN KARACHI DISTRICT •Twenty two (22) seats have been reserved at DUHS for students from Sindh other than Karachi District • Tagged districts of LUMHS - Jamshoro.....(11 Seats) • Tagged districts of SMBBMU - Larkana(11 Seats)	22
RESERVED SEATS FOR CANDIDATES of : •Azad Jammu and Kashmir •Gilgit Baltistan	2 2
Disabled Candidate	1
UEDP Local (Self Finance)	43
UEDP Overseas Pakistani	10
NOMINATED CATEGORIES •UEDP Foreign Nationals nominated through HEC •Foreign Nationals nominated through PTAP	16 16
TOTAL	350

*University Education Development Program (UEDP)

*Pakistan Technical Assistance Program (PTAP)

Five (05) seats have been reserved for candidates from Karachi District to LUMHS (Jamshoro).

Five (05) seats have been reserved for female candidates from Karachi District to PUMHSW, Shaheed Benazirabad (Nawabshah).

One (01) seat has been reserved for candidate from Karachi District to BMC (Balochistan).

One (01) seat has been reserved for candidate from Karachi District to Mohtarma Benazir Bhutto Shaheed Medical College, Mirpur, Azad Kashmir.

EXPLANATION NOTES ON SEAT DISTRIBUTION

1. RESERVED SEAT FOR CANDIDATE FROM BALOCHISTAN BASED ON MERIT CUM CHOICE

One (01) seat is reserved for candidate of Balochistan at Dow Medical College, with nomination received through Bolan Medical College (BMC), Balochistan.

2. RESERVED SEATS FOR CANDIDATES OF AJK AND G.B.

Two (02) seats are reserved for candidates of Azad Jammu and Kashmir at Dow Medical College, with nominations received through AJK Medical College, Muzaffarabad.

Two (02) seats are reserved for candidates of Gilgit Baltistan at Dow Medical College, with nominations received through Government of Gilgit-Baltistan.

3. UNIVERSITY EDUCATION DEVELOPMENT PROGRAM-LOCAL (UEDP-LOCAL)

Forty Three (43) seats are reserved at Dow Medical College (DMC) for local students on University Education Development Program (UEDP) subject to criteria and other formalities for admission (through entry test) as prescribed in the prospectus. The candidates who will apply for the admission in MBBS/BDS course under UEDP (self finance) will be considered on merit. In case general merit seat fall vacant before closing of admission, the candidate shall be considered on general merit seat as per merit.

4. UEDP OVERSEAS PAKISTANI

Ten (10) seats have been reserved for the children of overseas Pakistanis. These candidates have to fulfil all the eligibility criteria as specified for overseas students in prospectus.

5. UEDP FOREIGN NATIONAL (HEC)

Sixteen (16) seats have been reserved in Dow Medical College (DMC) for foreign nationals. All candidates for foreign national seats will be nominated by Higher Education Commission (HEC), Government of Pakistan, Islamabad.

6. PTAP (PAKISTAN TECHNICAL ASSISTANCE PROGRAMME)

Sixteen (16) seats have been reserved for this category in DMC. The candidates are nominated by Ministry of Economic Affairs & Statistics Division, Government of Pakistan, Islamabad. All PTAP nominees must join within 15 days after the session begins; otherwise, the nomination will be considered invalid.

7. SEAT FOR DISABLED

One (01) seat is reserved for disabled candidate. The candidate will first be considered on general merit, then on disabled quota. The special medical board will verify the status of this candidate.

8. RESERVED SEATS FOR CANDIDATES FROM DISTRICTS OF SINDH OTHER THAN KARACHI DISTRICT

Twenty two (22) seats have been reserved at Dow Medical College (DMC) for students from districts of Sindh other than Karachi district on merit cum choice basis. These include:

Tagged districts of LUMHS - Hyderabad..... (11 Seats)

Tagged districts of SMBBMU - Larkana (11 Seats)

9. SEATS FOR BILATERAL PROGRAMS

As per PM&DC regulations, 5% over and above the total seats can be allocated to foreign students under bilateral agreements with other countries, who are nominated through the Federal Government or the Ministry of Foreign Affairs.

SEAT DISTRIBUTION FOR MBBS COURSE at Dow International Medical College (DIMC)

Total : 150 seats

Dow International Medical College has total 150 seats for Foreign National and Overseas Pakistani candidates. In case of any vacant seats, these are offered to candidates under the overseas sponsored category to the local students.

Liaquat University of Medical & Health Sciences (LUMHS)

MESSAGE

Prof. Dr. Ikram Din Ujjan
Vice-Chancellor
Liaquat University of Medical &
Health Sciences (LUMHS)

It is with great pleasure that we welcome new students to Liaquat University of Medical and Health Sciences, both from within the country and from abroad. This year is especially exciting to us that we are not only welcoming students to LUMHS main campus and constituent Bilawal Medical College but also to our Thatta campus, recently established as Liaquat Institute of Medical & Health Sciences (LIMHS).

Liaquat University of Medical and Health Sciences is the oldest medical institution in the region, founded in 1881. Since its founding, the university has significantly contributed to high-quality healthcare services in the region and has produced skilled doctors and paramedical staff for both Pakistan and beyond. We are committed to delivering a high standard of medical education. Our modern curriculum, combined with robust research opportunities and a focus on both professional and interpersonal skills, ensures that our graduates are well-prepared for the challenges of a dynamic healthcare environment.

Our educational model emphasizes an individualized approach to learning, recognizing that each student has unique needs and learning styles. By blending traditional lectures with personalized tutorials, we aim to enhance students' educational experience and better prepare them for a flourishing career path as a healthcare provider.

We take pride in our strong international partnerships with leading institutions in the United States, United Kingdom, China, Turkey, and Azerbaijan, which provide our students with invaluable global perspectives and experiences.

As Vice Chancellor, I am dedicated to fostering an environment that supports our students' academic and professional growth. Our experienced faculty and state-of-the-art facilities are here to ensure that our students receive the highest quality education and are well-equipped to thrive in both national and international healthcare arenas.

LIAQUAT UNIVERSITY OF MEDICAL & HEALTH SCIENCES (LUMHS)

VISION

Liaquat University of Medical & Health Sciences seeks to be a top-tier healthcare institution, producing ingenious academic leaders, medical researchers, and healthcare advocates to serve global community.

MISSION

Fostering ideal learning environment to ensure modern scientific evidence based practices by imparting critical knowledge, analytical and psychomotor skills, and professional dedication among healthcare students, under the umbrella of virtuous professional, moral and ethical standards.

HISTORICAL BACKGROUND

Liaquat University of Medical & Health Sciences (LUM&HS) Jamshoro is the first ever public sector medical university with a long history of imparting quality medical education in the region. It started as a medical school in the present Civil Hospital, Hyderabad, Sindh in 1881, the first ever medical institution in the province of Sindh. After the separation of Sindh from the Bombay Presidency, this school was upgraded to the status of a medical college to impart teaching for MBBS under Bombay University.

The Medical College at Hyderabad Sindh was inaugurated by Sir Francis Moody, first Governor of Sindh and the first batch of forty-five students including one Muslim female student were admitted. The College was then shifted to Karachi on 10th December, 1945 and was renamed as Dow Medical College. Subsequently, Government of Sindh started another college in the same Civil Hospital, Hyderabad premises in 1951, which was named as Liaquat Medical College (LMC) after the first Prime Minister of Pakistan, Mr. Liaquat Ali Khan. The LMC was affiliated with the University of Sindh.

In its journey of more than 75 years, the College has made tremendous contributions in both medical education and healthcare in the province and the country. The LMC shifted to its new, beautiful, and spacious campus at Jamshoro in 1963. Initially, it offered the MBBS course only. The Dental Section imparting education and training for the degree of Bachelor of Dental Surgery (BDS) was added in 1963. In the same year, the college also started postgraduate courses. The number of postgraduate courses expanded gradually and the college acquired the status of a postgraduate medical institute in 1989. Besides, it became a recognized institution of the training for FCPS and MCPS in almost all disciplines of medicine, surgery, dentistry, and allied sciences. It also received recognition from accreditation bodies of foreign countries such as British General Medical Council of United Kingdom, Educational Commission for Foreign Medical Graduates (ECFMG) of USA, and similar bodies of several other countries. The College has made significant contribution in postgraduate medical education and has produced more than 1200 specialists in various disciplines of clinical and basic sciences with postgraduate qualifications of MD, MS, MPhil, MPH, and Diplomas. It was this outstanding contribution that upon comprehensive inspection and recommendation of the former University Grants Commission, now Higher Education Commission (HEC), and after prolonged deliberations at the highest for a provincial government, the honourable governor of Sindh promulgated Liaquat University Ordinance on 20th January 2001, upgrading the Liaquat Medical College to Liaquat University of Medical & Health Sciences, a unique distinction indeed of being the first ever medical university in public sector of the country.

INSTITUTE OF DENTISTRY

The Institute of Dentistry was originally established in the Liaquat Medical College in the year 1963 as the second oldest but the largest institute in the country. With the upgradation of Liaquat Medical College (LMC) to the status of University i.e. Liaquat University of Medical & Health Sciences (LUMHS), the dental section was upgraded as an Institute of Dentistry.

Since its inception, the Institute of Dentistry, Liaquat University of Medical & Health Sciences, Jamshoro has been continuously focusing on its academic excellence to provide quality dentistry care to all sectors of society and at the same time providing the community with qualified dental specialists. As a result, the Institute of

Dentistry is recognized for its quality undergraduate and postgraduate courses by Pakistan Medical & Dental Council (PM&DC) and College of Physicians & Surgeons, Pakistan (CPSP). Postgraduate courses like Master of Science (MSc) in all clinical disciplines including FCPS-II, Oral and Maxillofacial Surgery, Operative Dentistry, Prosthodontics, and FCPS Orthodontics specialty are also being offered in this institution.

MESSAGE

Prof. Dr. Ali Akbar Siyal
Vice Chancellor, PUMHSW
Shaheed Benazirabad (Nawabshah)

It is an extreme honour and privilege to write this welcome and greeting message for new entrants of MBBS (2026-27) in this premier medical university for girls. Peoples University of Medical & Health Sciences for Women, Shaheed Benazirabad shines as vivid star among global universities Agile – Dynamic and Innovative.

Students will be enrolled on merit - cum choice from tagged districts to concerned Universities and Colleges. I hope the transparent process of admission on merit will keep all the applicants satisfied. Indeed, this prospectus will guide the interested candidates during the entire course of selection for session 2026-27. My university is committed to inculcate the quality education, skill and research in under and post-graduate students to completely handle the health care responsibilities. Which are rigorously assured by internal mechanism and external audit with first rate teaching skill from well qualified and academic staff utilizing modern state of art ICT facilities. I am thankful to all the faculty members for their valuable input and support towards achieving these goals.

I am glad and feel pride to share that my University is ISO Certified for Quality Management System. We have also introduced a new course of BS-Public Health since Last Nine Years first ever in Pakistan. Beside we are offering DPT, Pharm-D & BS Nursing (Generic).

Indeed my university also enables every student towards personal accomplishment enlightenment health care engagement and productive contribution to the society in tune with National Education Policy 2021. We also give our students opportunities to develop a global mindset throughout partnerships with universities and organizations around the world.

I wish a successful admission process in all the Medical Universities & Colleges and look forward to successful candidates to invest their entire energies towards the acquisition of knowledge and skills in order to become competent, efficient and caring member of medical profession.

May! Allah (SWT) bless you. Ameen

- i) Remission of the whole or half of the Institution fees may be allowed by the Head of the institution to students belonging to Sindh province not exceeding 10 percent of number of Sindh province students on the college rolls.
- ii) Remission of fees means exemption from paying tuition fees only, full or half as the case may be. The student who are granted full or half remission of tuition fees shall be required to make full payments for all other subscriptions/funds.
- iii) Application for remission shall be submitted by the students upto the date to be fixed by the Head of Institution. The application should be accompanied by certificate from the D.C. of the district to which the student belong, stating the financial circumstances of the applicant's parent or guardian.
- iv) The grant of such remission will rest with the Head of the institution and will depend upon the circumstances of a student with regard to her studies. Absence from or failure in a professional or home examination, breach of discipline, neglect of studies or reprehensible conduct shall entail the loss of the concession.
- v) Remission will be granted on yearly basis on fresh applications invited every year.
- vi) Student receiving stipends will not be eligible for Free-ship concession.
- vii) Following Students are Eligible:
 - (a) High academic percentage basis.
 - (b) Two sisters in the same Medical College basis.
 - (c) Low income family background on actual information basis.

Shaheed Mohtarma Benazir Bhutto Medical University, Larkana

MESSAGE

Prof. Dr. Nusrat Shah
Vice Chancellor
SMBBMU, LARKANA

Dear Students,

It gives me a great pleasure to welcome you to Shaheed Mohtarma Benazir Bhutto Medical University, a university which carries the dreams of our great visionary leaders. You are about to embark on a remarkable journey — one that will shape not only your career but also your character, compassion, and commitment to serve humanity.

Medicine is a noble profession that demands dedication, empathy, and lifelong learning. Here, you will be guided by a distinguished faculty, inspired by the pursuit of knowledge, and trained in an environment that values integrity, respect, and teamwork. Our university is deeply committed to academic excellence, research innovation, and community service. We believe that true medical education extends beyond classrooms and clinics — it is about understanding people, alleviating suffering, and contributing to a healthier society.

As you begin this transformative phase, I encourage you to focus on your learning, embrace challenges, uphold ethical values, and cultivate curiosity. Remember, every lesson you learn and every patient you meet will contribute to the making of a compassionate and competent physician.

At the same time, you need to develop a relationship of trust and respect for your teachers, make lifelong friends and take good care of yourselves and others around you. You will also be expected to participate in co-curricular and extracurricular activities including sports, games, debates, social welfare and research related activities, in order to have develop into holistic and motivated professionals.

Welcome to a community of healers, innovators, and leaders. I wish you success, fulfillment, and a lifelong passion for learning and service.

SHAHEED MOHTARMA BENAZIR BHUTTO MEDICAL UNIVERSITY (SMBBMU) LARKANA

Introduction:

The dream of establishing a Medical University in Larkana was fulfilled through announcement by the honorable Chief Minister of Sindh, Syed Qaim Ali Shah at Garhi Khuda Bux Bhutto on 12th April, 2008.

The bill for Shaheed Mohtarma Benazir Bhutto Medical University was presented and unanimously passed by Sindh Assembly on 12th September, 2008.

The Act was sent to honorable Governor of Sindh for assent and subsequently the act was notified on 18th October, 2008. The ground-breaking ceremony of the University was performed by the then President of Islamic Republic of Pakistan Mr. Asif Ali Zardari on 30th December, 2009.

A team of Higher Education Commission (HEC) officials along with Medical Experts visited the University and accredited it. The University has following constituent and affiliated Colleges and institutions:

- Chandka Medical College, Larkana.
- Ghulam Mohammad Mahar Medical College, Sukkur.
- Bibi Aseefa Dental College, Larkana.
- Institute of Physiotherapy & Rehabilitation Sciences SMBBMU Larkana.
- Institute of Pharmacy, SMBBMU, Larkana.
- Benazir College of Nursing, SMBBMU, Larkana. (Morning & Evening)
- Sukkur College of Nursing & Midwifery, Sukkur. (Evening)
- Larkana College of Medical Technology, SMBBMU Larkana.

Academics:

Objectives of University for Undergraduate Degree Programs:

The objective of Degree Program at SMBBMU is to provide a good account of fundamentals in the Medical field. Basic knowledge is supplemented with latest applied approaches during clinical training including diagnostic and radiological investigations. Comprehensive programs are designed to inculcate self-learning skills and analytical approaches to solve medical problems, ultimately producing young medical professionals capable of delivering effective health services to the masses or undertaking advance studies and research.

Undergraduate Courses:

- | | |
|------------------------------|------------------|
| 1. MBBS | (Five-year plan) |
| 2. BDS | (Four-year plan) |
| 3. Pharm-D | (Five-year plan) |
| 4. Degree Program in Nursing | (Four-year plan) |
| 5. Doctor of Physiotherapy | (Five-year plan) |
| 6. B.S Medical Technology | (Four-year plan) |

CHANDKA MEDICAL COLLEGE LARKANA

Chandka Medical College came into being on 20th April, 1973. There was a dire need of a medical College in upper part of Sindh. Shaheed Zulfiqar Ali Bhutto the then Prime Minister of Pakistan gifted Chandka Medical College with 200 bedded Civil Hospital.

CMC is recognized by Pakistan Medical & Dental Council (PM&DC) and also by General Medicine Council (GMC) United Kingdom & CPSP. FCPS, MD, M.Phil, Ph.D, MCPS and various other diploma courses are offered at the very college.

CMC Larkana is the only medical institution in Northern Sindh which has progressed steadily during the last 54 years of its dedicated service in the health education sector. The College has produced around 15000 eminent doctors who are serving in every nook and corner of the world.

GHULAM MUHAMMAD MAHAR MEDICAL COLLEGE SUKKUR

Ghulam Muhammad Mahar Medical College (GMMMC) Sukkur was established on 2nd September, 2003. It is a constituent college of Shaheed Mohtarma Benazir Bhutto Medical University Larkana, located in the center of Sukkur city. Presently, 500+ students are enrolled in MBBS program with clinical rotations at the teaching hospital of GMMMC.

The College has abundance of books available for the students and Faculty. Moreover, Anatomy models, seminar rooms, and museums are available in each department to facilitate the students. Keeping in view the hot climate of the northern part of Sindh, the academic building like the lecture hall, Dissection Hall, Demonstration Rooms, Seminar Rooms, Laboratories, libraries and offices for the faculty members are well equipped with air-conditioning facility. Modern way of teaching is adopted at the very medical college with the latest Audio-Visual teaching aids. Laboratories are well equipped with latest gadgets, like new

Respirometers labs, treadmill, power lab etc.

BIBI ASEefa DENTAL COLLEGE LARKANA

On the occasion of 57th Birthday of Shaheed Mohtarma Benazir Bhutto, the then President of Pakistan

Mr. Asif Ali Zardari was kind enough to spare time and inaugurated BADC Larkana. Bibi Aseefa Dental College is the only Dental college of Northern Sindh and its periphery.

BADC is providing dental education and dental care and is a center of excellence to provide complete health facilities like Facial Trauma, Oral Cancer, and Orthogenetic surgery, re-constructive & dental care to people of this area. Dental Medicine embraces very important practice related to the oral cavity. Oral diseases are major public health problems due to their high incidence and prevalence across the globe.

Status of University:

University is recognized by HEC and PM&DC, GMC, CPSP and is equipped with following facilities:

- State of art Laboratories with latest equipment.
- Conventional and Digital Library.
- IT Department.
- Video Conference.
- 1600 bedded Teaching Hospital with latest facilities recognized by CPSP.

Extra-Curricular activities like sports, conferences, talent shows, quiz program, debate competition and study tours are arranged to keep students refreshed and re-creative.

KARACHI METROPOLITAN UNIVERSITY

KARACHI MEDICAL & DENTAL COLLEGE

MESSAGE

Prof. Dr. Wasim Qazi
Founding Vice Chancellor
Karachi Metropolitan University

It is my great honor and privilege to welcome you all to Karachi Metropolitan University (KMU). As the Founding Vice Chancellor, I am committed to positioning KMU as a leading institution of international repute, built on a foundation of academic excellence, research innovation and global partnerships.

I am pleased to announce that Karachi Medical and Dental College and Abbasi Shaheed Hospital have been elevated to the status of a university, now known as Karachi Metropolitan University. This transformation marks the beginning of a new era, as KMU is now a Comprehensive university offering diverse faculties, including Business Administration, Computer Sciences and Emerging Technologies, Nursing, Physical Therapy, Bio-Medical Engineering, and Pharmacy, among others.

At KMU, we are dedicated to fostering a dynamic learning environment that equips students with the knowledge and skills needed for success in the modern world. Each of our departments and faculties will work in close collaboration with industries to ensure our academic programs are relevant, innovative, and geared toward real- world applications. We are committed to obtaining international Accreditation for all our programs, ensuring that KMU degrees are recognized and respected globally.

In addition to providing world-class education, we have developed an ambitious plant that allows our medical, dental, pharmacy, and nursing graduates to not only earn their degrees but also simultaneously prepare for and appear in international examinations within their respective fields. This will open up global career opportunities for our students, enabling them to compete on an international level.

We are also dedicated to promoting a vibrant research culture, supported by Faculty Development Programs aimed at ensuring our educators and researchers remain at the cutting edge of their disciplines. Additionally, we will offer entrepreneurial and innovation opportunities, allowing students and faculty to monetize their ideas. With the support of venture capitalists and industry partners, KMU will provide a platform for turning innovative concepts into viable business ventures.

Finally, KMU is establishing strong partnerships with leading universities across the US, Europe, the UK, Turkey, the Middle East, Southeast Asia, and Central Asia. Through student and faculty exchange programs, we will broaden your academic horizons and create in valuable global networks.

Together, we will build Karachi Metropolitan University in to a hub of knowledge, innovation, and leadership. I encourage each of you to take full advantage of the opportunities that lie ahead and contribute to our share division of making KMU a university of international acclaim.

ABOUT US

Karachi Metropolitan University (KMU) established as general university under the Sindh Assembly Act No. LIV of 2023, is a public sector institution with Karachi Medical and Dental College (KMDC) and Abbasi Shaheed Hospital as its constituent integral units. KMU is dedicated to delivering quality education, fostering an entrepreneurial mindset, promoting innovation, and contributing to the socio- economic and cultural development of the city. Offering wide-range of demand-driven programs at undergraduate, graduate and post graduate levels, designed to meet international standards. With strong partnerships and academic linkages with leading universities across North America, United Kingdom, Europe, Central Asia, South East Asia and other regions, KMU ensures its students receive globally recognized education and opportunities.

Through KMU, the legacy of KMDC lives on, bringing a wider impact and advancing educational excellence across various fields, while staying true to its mission of offering quality education to students of all backgrounds.

INTRODUCTION

Welcome to the College of Medicine and Dentistry at Karachi Metropolitan University. It is my privilege to lead this institution, where we are dedicated to nurturing the next generation of healthcare professionals with knowledge, compassion, and integrity.

At KMU, we offer a dynamic learning environment equipped with modern facilities, well- equipped laboratories, and experienced faculty members committed to your academic and professional growth. Our curriculum is designed to combine theoretical knowledge with practical experience, ensuring our graduates excel in the ever-evolving medical and dental fields.

We believe in fostering a culture of research, innovation, and continuous learning. Our students are encouraged to engage in community service, contribute to medical advancements, and uphold the highest standards of patient care.

As you embark on this transformative journey, know that our doors are always open for guidance and support. Together, we will shape the future of healthcare.

Welcome to Karachi Metropolitan University — where your future is truly your choice.

Principal KM&DC, KMU

Prof. Dr. Riffat Farrukh (MBBS, FCPS, MCPS, DCH)

Welcome to the College of Dentistry at Karachi Metropolitan University, where we are committed to shaping the next generation of dental professionals through a rigorous blend of clinical excellence and scientific research. Being selected on merit and at an affordable fee structure, students at Karachi Metropolitan University not only learn dentistry, but the university also invites you to contribute to the science that improves lives. Join us in our mission to advance dental medicine through innovation, precision, and a deep commitment to the oral health of Karachi, Pakistan, and beyond.

Vice Principal
Head Department of Dentistry, KMU
Prof. Dr. Mehwash Kashif (BDS, FCPS, CHPE, PhD Scholar)

VISION

To be leading Academic Institution dedicated to transforming lives through innovation, education and impactful research.

MISSION

To provide exceptional, inclusive education across disciplines, cultivating a learning environment that values critical thinking, ethical responsibility, and impactful knowledge. We aim to prepare graduates who are equipped to address complex global challenges and lead with purpose in their communities.

Gambat Medical College

@ Pir Abdul Qadir Shah Jeelan Institute of Medical Sciences,
Gambat-Distt: Khairpur Mir's

MESSAGE

Captain (R) Dr. Rahim Bux Bhatti
MBBS, Fellow of PSIM
Director PAQSJIMS, Gambat

It is with immense pride and genuine enthusiasm that I extend a warm welcome to you on behalf of Gambat Medical College, as a Director, it is both an honor and a privilege to introduce you at PAQSJIMS. Gambat, a distinguished center of excellence in medical education, research, and healthcare.

At Gambat Medical College, we are committed to shaping the next generation of healthcare leaders-compassionate, skilled, and driven by a deep sense of purpose to advance global health. Our meticulously designed curriculum combines cutting-edge scientific knowledge with rigorous clinical training, ensuring our graduates excel as both competent professionals and empathetic caregivers.

Our exceptional faculty, state-of-the-art facilities, and dynamic research environment provide a foundation for intellectual growth and groundbreaking innovation. Beyond academic excellence, we emphasize the holistic development of our students, fostering values of ethics, leadership, and a lifelong commitment to learning.

The journey to becoming a medical professional is both demanding and profoundly rewarding. At Gambat Medical College, we stand ready to support you at every stage of this transformative path, equipping you with the knowledge, skills, and principles needed to make a meaningful impact on the lives of patients and communities worldwide.

As you embark on this significant journey, I encourage you to explore the wealth of opportunities available at Gambat Medical College. Together, we will strive for excellence in the noble pursuit of advancing healthcare.

I look forward to personally welcoming you to our academic community.

INTRODUCTION

This giant project was started from a 2-room dispensary, serving the people of Gambat since 1934. It was upgraded to the Taluka Hospital. In 1997, the THQ Hospital was declared a MODEL TALUKA HOSPITAL by MSU, World Bank, due to the efforts and devotion of Dr. Rahim Bux Bhatti, the Medical Superintendent.

The Institute was upgraded to degree-awarding institute, as a result of the untiring efforts of the Director PAQSJIMS and his team. The act was passed on 12th April 2011, Honorable Chief Minister Sindh Syed Qaim Ali Shah announced GIMS, as "INDEPENDENT DEGREE-AWARDING INSTITUTE". Later, Higher Education Commission of Pakistan recognized and issued "NO OBJECTION CERTIFICATE" to this institute on 31st March 2015. Accrediting to run the medical college. This budding institute is progressing on its strong medical grounds. It will soon find its name among the high-ranking institutes of the country, based on its performance, especially, transparent admission process and vigilant examination department. The institute is in the process of expansion and very soon, new -faculties will be added to it.

Gambat Medical College will be admitting the 10th batch of MBBS. There are 100 seats allocated to 23 tagged districts of Sindh. The selection of the students is based on district wise quota with no discrimination of caste & creed. The aim is not only to produce competent doctors but also to inculcate high moral values in them through the education, which is focused to ensure that training and grooming of the students go hand in hand with modern requirements of medical institution. The college is recognized by the then Pakistan Medical & Dental Council (PM&DC) Islamabad.

The college is a part of Pir Abdul Qadir Shah Jeelani Institute (PAQSJIMS), Gambat, the main campus is situated on the left bank of Rohri canal. The humid & cooler air coming from the canal, keeps atmosphere comfortable even in hot days. It is just half kilo meter away from the National Highway, the Highway which connects Sindh with other provinces of Pakistan.

Best possible medical education to the youngsters of the sindh particularly the rural areas, is the main aim of establishment of this college and to provide health care facilities to the people not only of sindh but also the adjoining areas of other provinces as well.

The college has dedicated and hardworking teaching faculty and so are the students the faculty is almost completed according to the PMDC Islamabad criteria. Everyone in the institute is committed to provide outstanding training & grooming of the students under the state of art facilities in purpose, with the basic teaching facility including air-conditioned modern Lecture halls, laboratories, demonstration rooms, library and central infra-structure which can be compared with any best medical institution in the country and abroad. All the lecture halls, demonstration rooms and seminar rooms are equipped with latest I.T facilities.

Postgraduate research center with various disciplines such as regenerative medicines, molecular medicines, P.G high-tech lab, and stem cell technology is going to be introducing soon.

First four batches of MBBS course at GMC are affiliated with Shaheed Mohtarma Benazir Bhutto Medical University (SMBBMU) Larkana for examination purpose and secured positions in various examinations.

The teaching hospital boasts modern clinical departments equipped to provide both inpatient and outpatient care, a fundamental necessity for a medical college during the clinical teaching phase. The hospital affiliated with our institute has a bed capacity more than 1,000, to accommodate all batches.

FACILITIES

As far as its infrastructure is concerned, it has a marvelous infrastructure, comparable to any high class & high ranked college not only in the Pakistan, but, abroad also. It is almost up-to mark, according to the requirements of PM&DC in the infrastructure and in the teaching faculty, as well. The College has four air-conditioned lecture halls. All the basic departments have their individual Laboratories, Tutorial rooms, Group discussion rooms and Museums. Anatomy department has a dissection hall. There is a large & capacious skill lab, with facility of tutorial room & a discussion room. All the above labs & rooms are air-conditioned.

The college is at par with any of good college/institution of Pakistan in academics. Basic Science faculty is up-to-mark according to PM&DC requirements, having professors, Associate Professors, Assistant Professors, Senior Registrars, Lecturers /Demonstrators and other supporting staff.

LIBRARY

Library is backbone of any institute. This College has a state-of-the- art air conditioned library with separate portions for boys & girls. There are sufficient number of test books, as well as, reference books. There is large collection of books. Timings for students is from 8-0 am to 8-0 pm. Presently, there are few scientific journals which are likely to be increased in future, according to the needs.

DIGITAL LIBRARY

Digital Library is need of any institute nowadays. This College has been provided facility by HEC Islamabad to get benefit of more than 25,000 latest online journals and books, free of cost. This facility can be utilized by the teachers, as well as, the students, equally. It has more than 100 computers with ocean to hundreds of online journals.

COMPUTER LABORATORY

Computer laboratory equipped with latest computers, laptops, multimedia, scanners, and printers is available for the students and faculty of the college.

UNDERGRADUATE SKILL LABORATORY

Students can get training on latest electrical dummies. Also they can get help of various museum e.g Anatomy museums, Pathology museum. The college has Bone Bank where sufficient number of bones are present, which can be issued to students.

POWER LAB

Power lab teaches scientific Principles as well as data this institution has replaced the old system of acquisition skills. This installation has replaced the old system of Physiology and Pharmacology practical examination. The system provides students with the hardware & software to perform basic human experiments in various fields including cardiovascular, respiratory, muscular & neurological systems.

BASIC ACADEMIC DEPARTMENTS

Anatomy, Physiology, Biochemistry, Pathology, Pharmacology, Forensic Medicine and community medicine, are the basic departments.

TAGGED TOWN / DISTRICT / DIVISION WISE ALLOCATION OF SEATS FOR MBBS

OPEN MERIT AND SELF-FINANCE SEATS:

4.2	SHAHEED MOHTARMA BENAZIR BHUTTO MEDICAL COLLEGE LYARI (Karachi Selection Centre)	
S. No.	Tagged District / Towns Karachi (Merit / Self Finance)	Seats
01	Lyari Town (Previous)	15
02	Bin Qasim Town (Previous)	10
03	Kemari Town (Previous)	10
04	Gadap Town (Previous)	10
05	Karachi District Domicile excluding above Towns	20
06	Self-Finance Seat for Karachi Division and its above mentioned Towns only	10
07	Divisional Head Quarters of Interior Sindh (Merit Only)	
	a) Hyderabad (Division) (including Districts Thatta, Badin & Sujawal)	05
	b) Mirpurkhas (Division)	05
	c) Sukkur (Division)	05
	d) Larkana (Division)	05
	e) Shaheed Benazirabad (Division)	05

Following is Town / District / Division wise distribution of open merit and self-finance seats of M.B.B.S course at Shaheed Mohtarma Benazir Bhutto Medical College Lyari, Karachi. The self-finance seats will also be filled on merit amongst tagged areas of Karachi Division.

ONLY THE CANDIDATES APPLIED FOR ADMISSION IN SMBBMC WILL BE CONSIDERED FOR MERIT IN SMBBMC CATEGORICALLY:

Admission of all the candidates will be according to Allocated Reserve Quota in respect of Jurisdiction, PRC/Domicile based admission of the above mentioned previous Towns / Districts / Divisions as per previous policy hereby remain constant as here-to-fore. Only candidates applied for the admission in SMBBMC will be eligible for admission in SMBBMC.

OPTIONS ONCE GIVEN SHALL BE FINAL

Once a candidate exercises an option for a seat on open merit basis OR on self-financing seat and fails to avail the same, within given period his/ her admission shall stand cancelled & next candidates will be called for admission.

ELIGIBILITY

- Candidate for admission must have Permanent Residence Certificate on Form 'C' and Domicile certificate in a respective Towns / Districts / Divisions of Sindh province tagged to Shaheed Mohtarma Benazir Bhutto Medical College Lyari, Karachi and candidates other than above mentioned credential will not be entertained categorically.
- Candidates should carefully apply/select for the quota as per the Jurisdiction of their addresses mentioned in PRC/ Domicile documents, the selection of correct jurisdiction according to respective PRC/Domicile is sole responsibility of the candidate, otherwise the application will be deemed redundant and next candidate on merit will be eligible for admission. Furthermore, if candidate appear nonbonafide resident of the previous jurisdiction selected Town/District/Division after domicile verification by the concerned authority he/she will not be eligible to apply/opt for merit on any other Town/District/Division after displaying of result.
- There are no available seats other than mentioned quota; hence no legal claim will be entertained in this regard.
- Whereas there is no Allocated Reserve / Special seat available for any other province/overseas as per policy of Shaheed Mohtarma Benazir Bhutto Medical College Lyari, Karachi in the course of M.B.B.S. like FATA, Gilgit Baltistan other than specified by competent authority.
- Documents submitted at the time of submission of online/physical forms will be considered Genuine and final credential of the candidates. No change/alternate of PRC/Domicile or other any documents in current or next year for admission will be acceptable. In case candidate fail to submit all required credentials especially PRC/Domicile his/her form will be deemed cancel, any submission of document PRC/Domicile or submission of changed

PRC/Domicile after displaying of merit list will not be accepted nor considered legal for admission categorically. Moreover, candidate admission will be cancelled if he/she is found in possession of more than one PRC/Domicile, this type of claims has neither any legal value nor is challengeable in any court of law and authorities. These acts of change / alternate disqualify the student from admission in the current session and next. In case of any dispute between two students for the seat due to discrepancy/delay in domicile verification, candidate on higher merit as per rule would be considered eligible for the seat if certified by competent authority as bonafide resident, while any claim/litigation from the other candidate will be considered null and void.

6. Strictly notify that after the display of Final Merit List the student will be eligible for the admission in the First year M.B.B.S. Course in current session after authenticated verification of Domicile/PRC from concerned authority of previous Towns/Districts/ Divisions and other educational documents. If after verification Domicile / PRC / Educational documents appears to be fake or students will not appear as bonafide resident of residential jurisdiction of concerned Town / District / Division. The admission will be deemed cancelled and any type of claim has neither legal value nor is challengeable in any court of law and next candidate on merit will be considered for admission.
7. After displaying of final merit list, admission will be finalized after verification of domicile/ PRC of concerned towns (relevant documents). Any Candidates found using Domicile/P.R.C. of more than one Town/ District/ Division, or domicile obtained on false credentials or of other province in Pakistan shall be disqualified for admission in this college forever and is liable for prosecution under the standing laws.
8. Domicile Certificate and CNIC from NADRA of Father/ Mother / Guardian should be from Sindh Province. The domicile certificate of mother shall only be accepted in case where father has expired and no such certificate was issued to him OR there has been remarriage / separation for which a valid document from the Court has been produced. Domicile certificate and CNIC from NADRA of the candidate can also be accepted either if he/ she have attained the age of 18 years or both the parents are not alive (supported by death certificate) and no such been admitted on the basis of false incorrect documents or information or having double Domicile/ PRC or against the rules of admission, his/her admission shall be cancelled immediately by the institution concerned and all fees paid by him/her shall not be forfeited if found guilty.
10. The date of admission in First year MBBS course shall be taken to be the first day of the corresponding academic year, irrespective of the fact as to when candidate has been selected for admission in the institution.
11. The rules and regulations for different professional examination promotion/termination for M.B.B.S. course shall be in accordance with the rules and regulations framed by the Pakistan Medical & Dental Council (PMDC) & affiliated University for Degree course of M.B.B.S. as amended from time to time and approved by the Shaheed Mohtarma Benazir Bhutto Medical College Lyari Karachi. Fee deposit is not final evidence of final admission and could be return if either candidate documents found fake/ duplicated or any other dispute regarding merit/domicile verification between candidates.
12. There is no reserved seat for disables or any other institute except mentioned quota.
13. After completion of degree course, one year house job in SMBBMC attached Lyari General Hospital is mandatory for all SMBBMC graduates categorically.

SUSPENSION & RUSTICATION:

1. The Principal of medical college is empowered to suspend, rusticate or expel any student.
2. A student whose name appears in F.I.R pertaining to a non-bailable offence as specified in the Criminal Procedure Code (CPC) will be suspended. During the pendency of the case he/she will not be allowed to attend classes or take up any examination.
3. Student shall be liable for suspension up to six months if he/she commits any of the following acts:

1. Integrated Modular Teaching System and Annual examination are being followed in all public sector medical universities and colleges of Sindh.
2. Re-admission of students and maximum chances to pass professional examination will be applied as per rules and regulations of each admitting university.

RULES FOR MIGRATION

1. Migration shall be as per PM&DC rules & regulations.
2. In addition to migration rules of PM&DC, the migration rules framed by the University/College shall be applicable.

MEDICAL BOARD FOR SELECTED CANDIDATES

Selected candidates shall have to undergo a medical examination by a medical board constituted by the university. The selected candidates must produce the following investigations.

- X-Ray Chest (PA) Urine DR
- Blood C.P. + ESR
- Vaccination certificate against HBV HBs Ag, HCV Ab
- HIV

SPECIAL MEDICAL BOARD FOR DISABLED CANDIDATES

A Special Medical Board for Disabled Candidates will be constituted in each university to determine the genuineness and severity of the disability of candidate.

RULES FOR PAYMENT OF FEE

1. If the student wishes to leave the University/College, the deposited fee will be refunded as per PM&DC rules.
2. Fee structure is available in respective portion of each university / college.
3. Fee is subject to revision by the University/Health Department Government of Sindh at any time during the course of study and will be applicable at once.
4. Candidates selected for admission in 1st Year MBBS/BDS under any category will have to deposit fee within 3 working days after display of the final list, failing which their names will be cancelled without any notice and no claim will be entertained.
5. The student will have to pay the prescribed fee for the remaining years at the start of each session within stipulated time period i.e. 15 days. The challan forms will be issued by the Directorate of Finance.
6. If any student in subsequent years fails to deposit fee/dues within stipulated time period, he/she shall not be eligible to appear in examination. If student appeared in examination without clearing dues, the Controller of Examinations will be held responsible.
7. In case a student appeared in Examination with the permission of the competent authority, the Controller of Examinations will withhold the examination result till issuing of No Dues Certificate from In-charge Student's Branch / Director of Finance.
8. The In-charge Student's Branch / Director of Finance will be responsible to collect the prescribed fee of remaining years from students. If any student fails to deposit the prescribed fee, the Directorate of Finance will issue notice to the defaulter student.
9. The Director of Admissions will provide the complete data of admitted students to the concerned departments.
10. Late payment will be charged as per respective university's policy.

FORMULA FOR WORKING OUT OVERALL MERIT

- a. SSC/Matriculation/Equivalent (10%).
- b. HSSC/F.Sc (Pre Medical) or Equivalent (40%).
- c. MDCAT (50%).

Example:

If a candidate has obtained the following marks:

a) Matric Science/O Level Equivalence Examination	650/850	or	76.471%
b) HSC/A-Level Equivalent Examination	660/1100	or	60.000%
c) MDCAT Marks for MBBS	99/180	or	55%
d) MDCAT Marks for BDS	90/180	or	50%

His/her merit will be calculated as follows:

a) Matric Science/O Level Equivalence Examination	$76.471\% \times 0.1 = 7.647\%$
b) HSC/A-Level Equivalent Examination	$60\% \times 0.4 = 24.000\%$
c) Entry Test Marks	$55\% \times 0.5 = 27.500\%$

Overall Merit of the Candidate $A+B+C = 59.147\%$

All calculation in percentages will be rounded up to five decimal points. In case final merit of more than one candidate is equal up to five decimals, the candidate older in age shall stand higher in merit;

PROCESSING UNIVERSITIES AND THEIR AUTHORIZED WEBSITES

All those candidates who are falling in the merit list are advised to keep visiting the website of the following processing Universities/Colleges.

1. Jinnah Sindh Medical University (JSMU) Karachi for admission in following institutes/college: **www.jsmu.edu.pk**
 - a. Jinnah Sindh Medical University (JSMU)
 - b. Dow University of Health Sciences (DUHS)
 - c. Karachi Metropolitan University (KMU)

2. Liaquat University of Medical & Health Sciences (LUMHS) Jamshoro for admission with following tagged districts: **www.lumhs.edu.pk**

1. Hyderabad	8. Tharparkar
2. Sanghar	9. Umerkot
3. Shaheed Benazirabad–Nawabshah	10. Jamshoro
4. Thatta	11. Matiari
5. Sujawal	12. Tando Allahyar
6. Badin	13. Tando Mohammad Khan
7. Mirpurkhas	

3. Shaheed Mohtarma Benazir Bhutto Medical University (SMBBMU) Larkana for admission with following tagged districts: **www.smbbmu.edu.pk**

1. Larkana	6. Kashmore
2. Shikarpur	7. Naushehro Feroze
3. Jacobabad	8. Sukkur
4. Dadu	9. Ghotki
5. Kamber-Shahdadkot	10. Khairpur

4. Peoples' University of Medical & Health Sciences for Women (PUMHSW) Shaheed Benazirabad.

Only the female students will be admitted from all tagged districts of Sindh province as per allocated seats on merit-cum-choice. **www.pumhs.edu.pk**

WAITING LIST

Candidates who are interested only for open merit admissions have to submit an application to clarify their non interest in UEDP (or only open merit waiting) or if he/she does not respond on the day of self-finance.

For reciprocal seats, candidates have to submit Rs.20,000/- bank draft in favor of the respective university (to be returned if they join the respective college/university within a week of the offer). If the selected candidate does not report within a week of the offer, the next candidate on waiting list (of reciprocal candidates) will be offered this seat and his/her admission fee draft will not be refunded. A candidate can keep his/her name in only one waiting list.

On the day of Admission (UDEP), those candidates who wish to keep their name on waiting list of UDEP have to submit bank draft of Rs.25,000/- admission fee (refundable if the respective university could not admit within one month). Only these candidates will be considered to be interested for admission and their name will remain included in self-finance waiting list.

CLOSING DATE OF ADMISSION

- Admission to all categories will be closed as per timelines provided by PM&DC and no admission will be given in any category including the reserved seats after the closing dates mentioned by PM&DC.
- Orientation class on first day of the class after admission in first year MBBS/BDS course will be considered as the first day of corresponding academic year.
- Enrolment form will be issued after the confirmation of submitted documents within three months of the first day of academic session. Any other letter besides that will be considered fake.
- The selected candidates will be enrolled with the university by paying enrolment fee.

VACANT SEATS

- The seats which remain vacant at the time of selection will be filled by admitting the next candidate on merit under the same category, subject to availability of waiting candidates in same category. If waiting candidates are not available in same category that vacant seats shall be filled as per decision of institutional admission committee / PM&DC guidelines (if available).
- In case a seat falls vacant during the timelines given by PM&DC, the same shall be filled by adopting the aforesaid procedure. Any seat falling vacant thereafter shall not be filled and shall stand forfeited.
- The time duration to respond to offer of admission is only three (03) working days after receipt of a call/offer letter. Next candidate on merit shall be offered admission after lapse of stipulated time.

WARNING

This is to inform that admissions in all categories/ programs in Public sector Universities/ Colleges of Sindh are offered on the basis of merit alone and references/ recommendations of any sort or from any sources are not entertained.

Unfortunately, this has been observed that some fabricators present in society strike on this sensitive note and misuse students and their parents who are willing for admission in medical universities / colleges and despite they are not on merit, offer them admissions by obtaining millions of rupees by fraud presenting themselves as part of college / university management / administration.

Forged documents and students with fake admissions are always caught. In last few years, such cases were identified by the administration of various medical universities and are now facing legal consequences.

Therefore

All students and their parents who are interested in getting admission in public sector medical universities / colleges are hereby requested to abstain from bypassing merit and refrain from any fake means by getting misused by a fabricator.

Cash payment of any sort should not be given to any individual within or outside the university / college premises otherwise university / college administration will not be held responsible.

Thank you.

انتباہ

سندھ کی تمام سرکاری یونیورسٹیز / کالجوں میں داخلے ہر کیٹیگری میں صرف اور صرف میرٹ کی بنیاد پر دیئے جاتے ہیں جس میں کسی بھی قسم کی سفارش وغیرہ کا عمل دخل نہیں ہوتا۔

افسوس کے ساتھ کہنا پڑتا ہے کہ معاشرے میں موجود چند جعل ساز لوگ طالب علموں اور انکے والدین کو میڈیکل میں داخلے کی شدید خواہش کے پیش نظر ان کے احساسات سے کھیلنے ہوئے متحرک ہو جاتے ہیں اور میرٹ نہ ہونے کے باوجود داخلے کا جھانسنہ دیکر لاکھوں روپے ہتھیار لیتے ہیں۔ اور بعض اوقات خود کو انتظامیہ کے فرد ظاہر کرتے ہیں۔ جعلی کاغذات سے جعلی داخلے والا طالب علم ضرور پکڑا جاتا ہے۔

پچھلے چند سالوں میں اس قسم کے کچھ کیسز یونیورسٹی کی انتظامیہ نے پکڑے ہیں جن کے خلاف قانونی چارہ جوئی ہو رہی ہے۔

لہذا

داخلے کے خواہش مند طالب علموں اور انکے والدین سے درخواست کی جاتی ہے کہ ایمان پر قائم رہتے ہوئے میرٹ سے ہٹ کر کسی جعل ساز کے جھانسنے میں آکر جعلی داخلے کو کوشش ہرگز نہ کریں جو کہ نہ صرف ناکام عمل ہوگا۔ بلکہ وہ محنت کی کمائی ضائع کرنے کے علاوہ قانون کے شکنجے میں بھی پھنس جائینگے۔

اطلاع

سمورن شاگردن ۽ انهن جي والدين کي اطلاع ٿو ڏجي ته سنڌ جي سمورين سرڪاري ڪاليجن ۽ يونيورسٽين ۾ داخلا صرف ۽ صرف ”ميرٽ“ جي بنياد تي ڏني ويندي آهي ۽ ڪابه سفارش نه هوندي آهي.

بدقسمتيءَ سان اهو ڏٺو ويو آهي ته ڪجهه جلسا ساز ماڻهو ميڊيڪل ڪاليج / يونيورسٽي ۾ داخلا جي اميدوار شاگردن ۽ انهنجي والدين کي ڪوڙين داخلا ڏيڻ جو آسرو ڏئي لکين روپيا ٺڳي وڃن ٿا، ڪڏهن ڪڏهن هو پاڻ کي يونيورسٽي يا ڪاليج جو عملدار به سڏرائيندا آهن.

ڪوڙن سرٽيفڪيٽن ۽ ڪوڙين داخلا ڏيڻ وارا شاگرد هر صورت ۾ پڪڙجي ويندا آهن ۽ پوءِ انهن کي قانوني ڪارروائي سان منهن به ڏيڻو پوي ٿو. اهڙا ڪجهه ڪيس پڪڙيا به ويا آهن.

سموري شاگردن ۽ انهن جي والدين جيڪي ميڊيڪل ڪاليج / يونيورسٽي ۾ داخلا جا خواهشمند آهن، کي گذارش ٿي ڪجي ته ڪنهن به دوڪي باز جي جهانسو ۾ نه اچن ۽ ياد رکن ته ”ميرٽ“ کان هٽي ڪري ڪنهن کي به داخلا نه ملندي ۽ هو ڪنهن به دوڪي ۾ اچي پنهنجا قيمتي پئسا ضايع نه ڪن.

ميڊيڪل يونيورسٽي يا ڪاليج جي اندر يا ٻاهر ڪنهن به فرد سان ڌيڻي لڻي نه ڪئي وڃي.

ٿورائتا
