Activity Title MURC Pre-conference workshop "Innovation in Health Care – From Research to Clinical Practice"

Date(s) of Activity 31-AUG-2026

Venue Auditorium, Diagnostic and Research Lab, LUH

Organized By Department of Dermatology, LUMHS

Brief Description The pre-conference workshop of MURC was successfully conducted and was facilitated by our esteemed guest speaker Dr. Neeta Maheshwari and Dr. Hira Shafquat, Assistant Professor of Dermatology. The session commenced with an insightful and interactive lecture by Dr. Neeta Maheshwari, who elaborated on bridging the gap between innovative research and its application in clinical practice. This was followed by a hands-on workshop activity where students were engaged in formulating research topics and were guided to develop topics that fulfilled the criteria of a good research question. The workshop was highly interactive, informative, and appreciated by all participants.

Activity Title: Pre-conference workshop of the Paediatric Conference LUMHS on “Diagnostic Challenges in Paediatric Dermatology – from Clinical Clues to Confident Conclusion”

Date(s) of Activity: 25-SEPTEMBER-2025

Venue: Department of Paediatrics Seminar Room

Organized By: Department of Dermatology in collaboration with Department of Paediatrics

BRIEF DESCRIPTION

A pre-conference workshop of the Paediatric Conference at LUMHS was successfully conducted, facilitated by Assistant Professors, Department of Dermatology, Dr. Hira Shafquat and Dr. Quratulain Memon. The workshop featured an interactive lecture focusing on the differential diagnosis of common paediatric dermatology cases. Various clinical scenarios were discussed to enhance clinical reasoning and diagnostic skills. This was followed by an engaging workshop activity where participants were shown clinical pictures and asked to formulate differentials, encouraging active participation and practical learning. The session was highly informative, interactive, and well-appreciated by all attendees.
