

## **IBT LUMHS SECURED THIRD POSITION IN INTERNATIONAL MULTI TOPIC CONFERENCE 2013 IN THE CATEGORY OF POSTER SESSION**

Third International Multi Topic Conference was held at Mehran University of Engineering and Technology, Jamshoro for three days from 18<sup>th</sup> December 2013 to 20<sup>th</sup> December 2013. IMTIC 13 was jointly organized by MUET Jamshoro and Erasmus Mundus Strong Ties Program. It was an international forum for researchers to exchange information regarding novel aspects of technology, application and service development within the multi disciplinary fields of Information and Communication Technologies. The event was inaugurated by the Education Minister of Sindh Nisar Ahmed Khuhro

Students from Institute of Bio medical Technology participated in IMTIC 2013 in the Category of Research Based Poster Session.

By the grace of **ALLAH ALMIGHTY**, **IBT LUMHS** got **THIRD POSITION** in it. This Poster was made by Visiting faculty member of IBT Engr M.Zakir Shaikh, 2<sup>nd</sup> Year Students of IBT namely Asadullah Panwhar(12BME05),Danial Rajput(12BME11) and Ahsan Zafar(12BME02).The Idea of the research based poster was “ **Automatic Patient Monitoring and Controlling through Drug Delivery System**”. The third position was awarded to IBT LUMHS and MUET both as students from both universities participated. However, the Idea was supervised by Director IBT LUMHS Engr Muhammad Ali Bohyo. The students were accompanied and guided by Engr Hinesh Kumar and Engr Saeed Maitlo.

The winning teams were awarded the Prize by the Chief Guest Mazhar ul Haq Siddiqui(Former Vice Chancellor of Sindh University ) on the closing ceremony of the event.
